

154F.5 Temporary clinical license — fee.

Any person who has fulfilled all of the requirements for licensure under this chapter, except for having completed the nine months' clinical experience requirement as provided in section 154F.3, subsection 1 or 2, may apply to the board for a temporary clinical license. The license shall be designated "temporary clinical license in speech pathology" or "temporary clinical license in audiology" and shall authorize the licensee to practice speech pathology or audiology under the supervision of a licensed speech pathologist or licensed audiologist, as appropriate. The license shall be valid for one year and may be renewed at the discretion of the board. The fee for a temporary clinical license shall be set by the board to cover the administrative costs of issuing the license, and if renewed, a renewal fee as set by the board shall be required. A temporary clinical license shall be issued only upon evidence satisfactory to the board that the applicant will be supervised by a person licensed as a speech pathologist or audiologist, as appropriate.
