

36.6 Medical cooperative program.

The department and appropriate medical facilities at the state university of Iowa under the control of the state board of regents shall institute a cooperative program to:

1. Refer veterans to appropriate state and federal agencies to file claims to remedy medical and financial problems caused by the veterans' exposure to chemicals.

2. Provide veterans with fat tissue biopsies, genetic counseling, and genetic screening upon request of the licensed physician pursuant to section 36.2, to determine if the veterans have suffered physical damage as a result of substantial exposure to chemicals.
