

384.40 Underground improvements.

A city may include underground gas, water, heating, sewer, or electrical connections to the street or property line for private property as a part of the public improvement, or a city may order the property owner to make, repair, or relocate such connections by publication of a notice once each week for two consecutive weeks in the manner provided by section 362.3, and if the order is not complied with at the end of thirty days after the date of the first publication, the city may cause the work to be done and assess the cost against the property served by the connection.
