

**444.2 Amounts certified in dollars.**

When an authorized tax rate within a taxing district, including townships, school districts, cities and counties, has been thus determined as provided by law, the officer or officers charged with the duty of certifying the authorized rate to the county auditor or board of supervisors shall, before certifying the rate, compute upon the adjusted taxable valuation of the taxing district for the preceding fiscal year, the amount of tax the rate will raise, stated in dollars, and shall certify the computed amount in dollars and not by rate, to the county auditor and board of supervisors.
