

455B.807 Public notification.

1. The department shall make available to the general public in an electronic format the plan of a manufacturer for a system to remove, collect, and recover mercury-added switches from end-of-life vehicles and any report required under section 455B.808.

2. Publication of all required plans, information, reports, and educational materials under this division shall be through no less than two types of media available to the general public. One medium must be available twenty-four hours per day, seven days per week, and maintained with current information. Acceptable types of media include but are not limited to internet websites, periodicals, journals, and other publicly available media in the state.

2006 Acts, ch 1120, §8

[SP] For future repeal of this section upon development and implementation of national mercury switch recovery program; conditions; see 2006 Acts, ch 1120, §11
