

468.140 Outlet for lateral drains — specifications.

The owner of any premises assessed for the payment of the costs of location and construction of any ditch, drain, or watercourse as in this subchapter, parts 1 through 5, provided, shall have the right to use the same as an outlet for lateral drains from the premises. The board of supervisors shall make specifications covering the manner in which such lateral drains shall be connected with the main ditches or other laterals and be maintained, and the owner shall follow such specifications in making and maintaining any such connection.
