

**80.9B Human immunodeficiency virus-related information.**

1. The provisions of chapter 141A do not apply to the entry of human immunodeficiency virus-related information by criminal or juvenile justice agencies, as defined in section 692.1, into the Iowa criminal justice information system or the national crime information center system.

2. The provisions of chapter 141A also do not apply to the transmission of the same information from either or both information systems to criminal or juvenile justice agencies.

3. The provisions of chapter 141A also do not apply to the transmission of the same information from either or both information systems to employees of state correctional institutions subject to the jurisdiction of the department of corrections, employees of secure facilities for juveniles subject to the jurisdiction of the department of human services, and employees of city and county jails, if those employees have direct physical supervision over inmates of those facilities or institutions.

4. Human immunodeficiency virus-related information shall not be transmitted over the police radio broadcasting system under chapter 693 or any other radio-based communications system.

5. An employee of an agency receiving human immunodeficiency virus-related information under this section who communicates the information to another employee who does not have direct physical supervision over inmates, other than to a supervisor of an employee who has direct physical supervision over inmates for the purpose of conveying the information to such an employee, or who communicates the information to any person not employed by the agency or uses the information outside the agency is guilty of a class "D" felony.

6. The commissioner shall adopt rules regarding the transmission of human immunodeficiency virus-related information including provisions for maintaining confidentiality of the information. The rules shall include a requirement that persons receiving information from the Iowa criminal justice information system or the national crime information center system receive training regarding confidentiality standards applicable to the information received from the system.

7. The commissioner shall develop and establish, in cooperation with the department of corrections and the department of public health, training programs and program criteria for persons receiving human immunodeficiency virus-related information through the Iowa criminal justice information system or the national crime information center system.
