1. The department may receive and accept donations, grants, gifts, and contributions in the form of moneys, services, materials, or otherwise, from the United States or any of its agencies, from this state or any of its agencies, or from any other person, and may use or expend such moneys, services, materials, or other contributions, or issue grants, in carrying out the operations of the department. All federal grants to and the federal receipts of the department are hereby appropriated for the purpose set forth in such federal grants or receipts. The department shall report annually to the general assembly on or before September 1 the donations, grants, gifts, and contributions with a monetary value of one thousand dollars or more that were received during the most recently concluded fiscal year.

2. *a.* The department may solicit donations, grants, gifts, and contributions in the form of moneys, services, materials, real property, or otherwise from any person for specific projects and improvements on or near the capitol complex. However, no less than twenty days prior to commencing any such solicitation, the department shall notify the executive council, the department of management, and the legislative council of the project for which the solicitation is proposed. The department is only required to provide one notification for each project for which a solicitation is proposed.

b. The department shall not accept any donation, grant, gift, or contribution in any form that includes any condition other than a condition to use the donation, grant, gift, or contribution for the project for which it was solicited. The department shall not confer any benefit upon or establish any permanent acknowledgement of the donor of the donation, grant, gift, or contribution unless specifically authorized by a constitutional majority of each house of the general assembly and approved by the governor or unless otherwise specifically authorized by law.
