

915.92 Right of action against perpetrator — subrogation.

A right of legal action by the victim against a person who has committed a crime is not lost as a consequence of a person receiving compensation under the crime victim compensation program. If a person receiving compensation under the program seeks indemnification which would reduce the compensation under section 915.87, subsection 1, the department is subrogated to the recovery to the extent of payments by the department to or on behalf of the person. The department has a right of legal action against a person who has committed a crime resulting in payment of compensation by the department to the extent of the compensation payment. However, legal action by the department does not affect the right of a person to seek further relief in other legal actions.
