

99B.6 Games where liquor or beer is sold.

1. Except as provided in subsections 5, 6, 7, 8, and 9, gambling is unlawful on premises for which a class "A", class "B", class "C", or class "D" liquor control license, or class "B" beer permit has been issued pursuant to chapter 123 unless all of the following are complied with:

a. The holder of the liquor control license or beer permit has submitted an application for a license and an application fee of one hundred fifty dollars, and has been issued a license, and prominently displays the license on the premises.

b. The holder of the liquor control license or beer permit or any agent or employee of the license or permit holder does not participate in, sponsor, conduct or promote, or act as cashier or banker for any gambling activities, except as a participant while playing on the same basis as every other participant.

c. Gambling other than social games is not engaged in on the premises covered by the license or permit.

d. Concealed numbers or conversion charts are not used to play any game, and a game is not adapted with any control device to permit manipulation of the game by the operator in order to prevent a player from winning or to predetermine who the winner will be, and the object of the game is attainable and possible to perform under the rules stated from the playing position of the player.

e. The game must be conducted in a fair and honest manner.

f. No person receives or has any fixed or contingent right to receive, directly or indirectly, any amount wagered or bet or any portion of amounts wagered or bet, except an amount which the person wins as a participant while playing on the same basis as every other participant.

g. No cover charge, participation charge or other charge is imposed upon a person for the privilege of participating in or observing gambling, and no rebate, discount, credit, or other method is used to discriminate between the charge for the sale of goods or services to participants in gambling and the charge for the sale of goods or services to nonparticipants. Satisfaction of an obligation into which a member of an organization enters to pay at regular periodic intervals a sum fixed by that organization for the maintenance of that organization is not a charge which is prohibited by this paragraph.

h. No participant wins or loses more than a total of fifty dollars or more consideration equivalent thereto in one or more games or activities permitted by this section at any time during any period of twenty-four consecutive hours or over that entire period. For the purpose of this paragraph a person wins the total amount at stake in any game, wager or bet, regardless of any amount that person may have contributed to the amount at stake.

i. No participant is participating as an agent of another person.

j. A representative of the department or a law enforcement agency is immediately admitted, upon request, to the premises with or without advance notice.

k. A person under the age of twenty-one years shall not participate in the gambling except pursuant to sections 99B.3, 99B.4, 99B.5, and 99B.7. Any licensee knowingly allowing a person under the age of twenty-one to participate in the gambling prohibited by this paragraph or any person knowingly participating in gambling with a person under the age of twenty-one, is guilty of a simple misdemeanor.

2. The holder of a license issued pursuant to this section is strictly accountable for complying with subsection 1. Proof of an act constituting a violation is grounds for revocation of the license issued pursuant to this section if the holder of the license permitted the violation to occur when the licensee knew or had reasonable cause to know of the act constituting the violation.

3. A participant in a social game which is not in compliance with this section shall be liable for a criminal penalty only if that participant has knowledge of or reason to know the facts constituting the violation.

4. The holder of a license issued pursuant to this section and every agent of that licensee who is required by the licensee to exercise control over the use of the premises who knowingly permits or engages in acts or omissions which constitute a violation of subsection 1 commits a serious misdemeanor. A licensee has knowledge of acts or omissions if any agent of the licensee has knowledge of those acts or omissions.

5. Lottery tickets or shares authorized pursuant to chapter 99G may be sold on the premises of an establishment that serves or sells alcoholic beverages, wine, or beer as defined in section 123.3.

6. A qualified organization may conduct games of skill, games of chance, or raffles pursuant to section 99B.7 in an establishment that serves or sells alcoholic beverages, wine, or beer as defined in section 123.3 if the games or raffles are conducted pursuant to this chapter or rules adopted pursuant to this chapter.

7. The holder of a liquor control license or beer permit may conduct a sports betting pool if the game is publicly displayed and the rules of the game, including the cost per participant and the amount of the winning is conspicuously displayed on or near the pool. No participant may wager more than five dollars and the maximum winnings to all participants from the pool shall not exceed five hundred dollars. The provisions of subsection 1, except paragraphs “c” and “h” and the prohibition of the use of concealed numbers in paragraph “d”, are applicable to pools conducted under this subsection. If a pool permitted by this subsection involves the use of concealed numbers, the numbers shall be selected by a random method and no person shall be aware of the numbers at the time wagers are made in the pool. All moneys wagered shall be awarded to participants. For purposes of this subsection, “pool” means a game in which the participants select a square on a grid corresponding to numbers on two intersecting sides of the grid and winners are determined by whether the square selected corresponds to numbers relating to an athletic event in the manner prescribed by the rules of the game.

8. Gambling games authorized under chapter 99F may be conducted on an excursion gambling boat or gambling structure which is licensed as an establishment that serves or sells alcoholic beverages, wine, or beer as defined in section 123.3 if the gambling games are conducted pursuant to chapter 99F and rules adopted under chapter 99F. Notwithstanding section 123.3, subsection 34, paragraph “b”, a person holding a federal gambling permit and licensed to conduct gambling games pursuant to chapter 99F may hold a liquor license.

9. Pari-mutuel wagering authorized under chapter 99D may be conducted within a racetrack enclosure which is licensed as an establishment that serves or sells alcoholic beverages as defined in section 123.3 if the pari-mutuel wagering is conducted pursuant to chapter 99D and rules adopted under chapter 99D.
