

99G.9A Limited series of lottery games providing aid for veterans.

The chief executive officer, in consultation with the board, shall develop and conduct two additional instant scratch and two additional pull tab lottery games annually to provide moneys for the benefit of veterans and their spouses and dependents. The moneys received from the sale of tickets for each lottery game shall be deposited in a special account in the lottery fund. Notwithstanding section 99G.39, after payment of the prizes, the remaining moneys shall be transferred to the veterans trust fund established pursuant to section 35A.13. However, if the balance of the veterans trust fund is fifty million dollars or more, the remaining moneys shall be appropriated to the department of revenue for distribution to county directors of veteran affairs, with fifty percent of the money to be distributed equally to each county and fifty percent of the money to be distributed to each county based upon the population of veterans in the county, so long as the money distributed to a county does not supplant money appropriated by that county for the county director of veteran affairs.
