

103.20 Licensee status — employment — death.

1. Individuals performing electrical work in a capacity for which licensure is required pursuant to this chapter shall be employed by the authority or company obtaining a permit for the performance of such work, and shall possess a valid license issued by the board.

2. Upon the death of an electrical contractor, a class A master electrician, or a class B master electrician, the board may permit a representative to carry on the business of the decedent for a period not to exceed six months for the purpose of completing work under contract to comply with this chapter. Such representative shall furnish all public liability and property damage insurance required by the board.
