

135M.3 Prescription drug donation repository program authorized.

1. The department, in cooperation with the board of pharmacy, may establish and maintain a prescription drug donation repository program under which any person may donate prescription drugs and supplies for use by an individual who meets eligibility criteria specified by the department by rule. The department may contract with a third party to implement and administer the program.

2. Donations of prescription drugs and supplies under the program may be made on the premises of a medical facility or pharmacy that elects to participate in the program and meets the requirements established by the department.

3. The medical facility or pharmacy may charge an individual who receives a prescription drug or supplies a handling fee that shall not exceed an amount established by rule by the department.

4. *a.* A medical facility or pharmacy that receives prescription drugs or supplies may distribute the prescription drugs or supplies to another eligible medical facility or pharmacy for use pursuant to the program.

b. The department may receive prescription drugs or supplies directly from the prescription drug donation repository contractor and may distribute such prescription drugs and supplies through persons licensed to dispense prescription drugs and supplies to an eligible individual for use by the individual pursuant to the program. The department may receive and distribute such prescription drugs or supplies under this paragraph during or in preparation for a state of disaster emergency proclaimed by the governor pursuant to section 29C.6 or during or in preparation for a public health disaster as defined in section 135.140, subsection 6.

5. Participation in the program shall be voluntary.
