

152D.1 Definitions.

As used in this chapter, unless the context otherwise requires:

1. “*Athlete*” means a person who participates in a sanctioned amateur or professional sport or other recreational sports activity.
 2. “*Athletic injury*” means any of the following:
 - a. An injury or illness sustained by an athlete as a result of the athlete’s participation in sports, games, or recreational sports activities.
 - b. An injury or illness that impedes or prevents an athlete from participating in sports, games, or recreational sports activities.
 3. “*Athletic trainer*” means a person licensed under this chapter to practice athletic training under the direction of a licensed physician.
 4. “*Athletic training*” means the practice of prevention, recognition, assessment, physical evaluation, management, treatment, disposition, and physical reconditioning of athletic injuries that are within the professional preparation and education of a licensed athletic trainer and under the direction of a licensed physician. The term “*athletic training*” includes the organization and administration of educational programs and athletic facilities, and the education and counseling of the public on matters relating to athletic training.
 5. “*Board*” means the board of athletic training created under chapter 147.
