

**166.1 Definitions.**

When used in this chapter:

1. “*Biological products*” shall include and be deemed to embrace only anti-classical-swine-fever serum and viruses which are either virulent or nonvirulent, alive or dead.

2. “*Dealer*” includes every person who, for profit, sells, dispenses, or distributes, or offers to do so, either as principal or agent, biological products, except:

a. A manufacturer selling direct to any person licensed under this chapter to sell, dispense, or distribute such biological products.

b. A regularly licensed veterinarian who uses such biological products in the veterinarian’s professional practice and does not use it for sale or distribution to any other person.

3. “*Manufacturer*” includes every person engaged in the preparation, at any stage of the process, of biological products, except those engaged in such preparation in any state or governmental institution.

4. “*Place of business*” is construed to mean each place or premises where biological products are sold, or where biological products are stored or kept for the purpose of sale, dispensation or distribution, or where biological products are offered for sale, dispensation or distribution.
