

192.108 Administration of the chapter — inspections required.

The department shall administer this chapter and rules adopted pursuant to this chapter. The department is responsible for the inspection of a dairy farm, milk plant, transfer station, or receiving station to ensure compliance with this chapter and chapters 190 and 191. The department may enter into an inspection contract with a person qualified to perform inspection services if the agreement for the services is cost-effective and the quality of inspection ensures compliance with state and federal law. A person entering into an inspection contract with the department for the purpose of inspecting premises, taking samples, or testing samples, shall be deemed to be an agent of the department, and shall have the same authority under this chapter provided to the department, unless the contract specifies otherwise. The department shall review inspection services performed by a person under an inspection contract to ensure quality cost-effective inspections. If a person is acting in a manner which is inconsistent with the provisions of the applicable chapter or contract, the department may revoke the inspection contract after notice and hearing, in the manner described for permit revocation in section 192.107 and perform such acts as are necessary to enforce this chapter. Except as provided in this chapter or chapter 194, a person shall not charge a milk plant, receiving station, or transfer station a fee for inspection relating to milk or milk products.
