

231.66 Nutrition and health promotion program.

A nutrition and health promotion program shall be administered by the department, in accordance with the requirements of the federal Act, including congregate and home-delivered nutrition programs, nutrition screening, nutrition education, nutrition counseling, and evidence-based health promotion programs to promote health and well-being, reduce food insecurity, promote socialization, and maximize independence of older individuals.

2009 Acts, ch 23, §41; 2012 Acts, ch 1086, §15
