

232.115 Reporter required.

Stenographic notes or electronic or mechanical recordings shall be taken of all court hearings held pursuant to this division unless waived by the parties. The child shall not be competent to waive the reporting requirement, but waiver may be made for the child by the child's counsel or guardian ad litem. Matters which must be reported under the provisions of this section shall be reported in the same manner as required in section 624.9.

[C81, §232.115]
