

249F.8 Inconsistency with federal laws.

If it is determined by the attorney general that any provision of this chapter would cause denial of funds from the United States government under Tit. XIX of the federal Social Security Act, or would otherwise be inconsistent or conflict with the requirements of federal law for state participation in the Tit. XIX program, such provision shall be suspended, but only to the extent necessary to prevent denial of such funds or to eliminate the inconsistency or conflict with the requirements of federal law. If the attorney general makes such a suspension determination, the attorney general shall report it to the general assembly at its next session. This report shall include any recommendations in regard to corrective legislation needed to conform this chapter with federal law.
