

257C.12 Conflicts of interest.

1. If a member or employee other than the executive director of the authority has an interest, either direct or indirect, in a contract to which the authority is or is to be a party, the interest shall be disclosed to the authority in writing and shall be set forth in the minutes of a meeting of the authority. The member having the interest shall not participate in action by the board with respect to that contract.

2. This section does not limit the right of a member of the board to acquire an interest in bonds, or limit the right of a member to have an interest in a bank or other financial institution in which the funds of the authority are deposited or which is acting as trustee or paying agent under a trust indenture to which the authority is a party.

3. The executive director shall not have an interest in a bank or other financial institution in which the funds of the authority are deposited or which is acting as trustee or paying agent under a trust indenture to which the authority is a party. The executive director shall not receive, in addition to fixed salary or compensation, any money or valuable thing, either directly or indirectly, or through any substantial interest in any other corporation or business unit, for negotiating, procuring, recommending, or aiding in any loan made by the authority, nor shall the executive director be pecuniarily interested, either as principal, co-principal, agent, or beneficiary, either directly or indirectly or through any substantial interest in any other corporation or business unit, in any loan.
