

29B.55 Record of trial.

1. Each general court-martial shall keep a separate record of the proceedings in each case brought before it, and the record shall be authenticated by the signature of the military judge. If the record cannot be authenticated by the military judge by reason of death, disability, or absence of the military judge, it shall be authenticated by the signature of the trial counsel or by the signature of a member if the trial counsel is unable to authenticate it by reason of death, disability, or absence. In a court-martial consisting of only a military judge the record shall be authenticated by the court reporter under the same conditions which would impose such a duty on a member under this subsection. If the proceedings have resulted in an acquittal of all charges and specifications or, if not affecting a general officer, in a sentence not including discharge, dismissal, or confinement and not in excess of that which may otherwise be adjudged by a special court-martial, the record shall contain matters prescribed by rules of the adjutant general.

2. Each special and summary court-martial shall keep a separate record of the proceedings in each case, and the record shall contain the matter and shall be authenticated in the manner required by rules of the adjutant general.

3. A copy of the record of the proceedings of each general and special court-martial shall be given to the accused as soon as the record is authenticated. If a verbatim record of trial by general court-martial is not required, but is made, the accused may buy the record as prescribed in rules of the adjutant general.
