

304A.9 Consultation.

Whenever a state building is to be constructed, the contracting officer or principal user shall, at the time of engaging or directing an architect to prepare plans and specifications for the building, contact the arts division of the department of cultural affairs, which shall have authority to ensure that the fine arts elements will be integrated within, on, or about the total environment of such construction. Notwithstanding this section and sections 304A.11 and 304A.12, if the state building is under the control of the state board of regents the work on the fine arts element shall be administered by the state board of regents in consultation with the arts division.
