**316.3 Declaration of policy — authorization — divisibility of application.**

1. The purpose of this chapter is to establish a uniform policy for the fair and equitable treatment of persons displaced as a result of federally assisted programs or projects in order that the persons shall not suffer disproportionate injuries as a result of programs or projects designed for the benefit of the public as a whole and to minimize the hardship of displacement on the persons. The general assembly declares that relocation assistance for persons displaced by programs and projects is a necessary and essential part of the programs and projects. This chapter shall be known and may be cited as the “*Relocation Assistance Law*.”

2. If a displacing agency subject to the provisions of the federal Uniform Relocation Act, or if another entity required or electing to provide any of the programs or payments authorized by this chapter, undertakes a project which results in the acquisition of real property or in a person being displaced from the person’s home, business, or farm, the displacing agency or other entity may provide relocation assistance, and make relocation payments to the displaced person and do the other acts and follow the procedures and practices as may be necessary to comply with the provisions of the federal Uniform Relocation Act and this chapter. Displacing agencies may provide all or a part of the program and payments authorized under this chapter to persons displaced by any program or project regardless of the funding source. However, to the extent a program or a payment is provided, the program or payment shall be provided on a uniform basis to all displaced persons.

3. If a provision, clause, or phrase of this chapter, or application of this chapter to a person or circumstance is adjudged invalid by any court of competent jurisdiction, the judgment shall not invalidate the remainder of the chapter, and the application of the chapter to other persons or circumstances shall not be affected by the adjudication.

**316.4 Moving and related expenses.**

1. If a program or project undertaken by a displacing agency will result in the displacement of a person, the displacing agency shall make a payment to the displaced

person, upon proper application as approved by the displacing agency, for actual reasonable and necessary expenses incurred in moving the person, the person's family, business, farm operation, or other personal property subject to rules and limits established by the department. The payment may also provide for actual direct losses of tangible personal property, purchase of substitute personal property, business reestablishment expenses, storage expenses, and expenses incurred in searching for a replacement business or farm.

2. A displaced person eligible for payments under subsection 1, who is displaced from a dwelling and who elects to accept the payments authorized by this subsection in lieu of the payments authorized by subsection 1, may receive a moving expense and dislocation allowance determined according to a schedule established by the department.

3. A displaced person, as defined in section 316.1, subsection 2, paragraph "a", eligible for payments under subsection 1, who is displaced from the person's place of business or farm operation and who is eligible, may elect to accept the payment authorized by this subsection in lieu of the payment authorized by subsection 1. The payment shall consist of a fixed payment in an amount to be determined according to criteria established by the department. A person whose sole business at the displaced dwelling is the rental of the real property does not qualify for a payment under this subsection.

### **316.5 Replacement housing for homeowner.**

1. In addition to payments otherwise authorized by this chapter, the displacing agency shall make an additional payment to a displaced person who is displaced from a dwelling actually owned and occupied by the displaced person for not less than one hundred eighty days immediately prior to the initiation of negotiations for the acquisition of the property. All determinations to carry out this section shall be made in accordance with administrative rules adopted by the department. The additional payment shall include the following elements:

a. The amount, if any, which when added to the acquisition cost of the dwelling acquired by the displacing agency, equals the reasonable cost of a comparable replacement dwelling.

b. The amount, if any, which will compensate the displaced person for any increased interest costs and other debt service costs which the displaced person is required to pay for financing the acquisition of a comparable replacement dwelling. The amount shall be paid only if the dwelling acquired by the displacing agency was encumbered by a bona fide mortgage which was a valid lien on the dwelling for not less than one hundred and eighty days immediately prior to the initiation of negotiations for the acquisition of the dwelling.

c. Actual, reasonable, and necessary expenses incurred by the displaced person for evidence of title, recording fees, and other closing costs incident to the purchase of a replacement dwelling, but not including prepaid expenses.

2. The additional payment authorized by this section shall be made only to a displaced person who purchases and occupies a decent, safe, and sanitary replacement dwelling within one year after the date on which the person receives final payment from the displacing agency of all costs of the acquired dwelling, or on the date on which the obligation of the displacing agency under section 316.8 is met, whichever is the later, except that the displacing agency may extend the eligibility period for good cause. If the period is extended, the payment under this section shall be based on the costs of relocating the person to a comparable replacement dwelling within one year of the applicable date.

### **316.6 Replacement housing for tenants and certain others.**

In addition to amounts otherwise authorized by this chapter, the displacing agency shall make a payment to or for a displaced person, displaced from a dwelling, not eligible to receive a payment under section 316.5, which dwelling was actually and lawfully occupied by the displaced person for not less than ninety days immediately prior to the initiation

of negotiations for acquisition of the dwelling, or as a result of the written order of the displacing agency to vacate the real property. All determinations to carry out this section shall be made in accordance with administrative rules adopted by the department. The displaced person may elect either of the following:

1. The amount necessary to enable the displaced person to lease or rent a comparable replacement dwelling. At the discretion of the displacing agency, a payment under this subsection may be made in periodic installments. Computations of a payment under this subsection to a low-income displaced person for a comparable replacement dwelling shall take into account the person's income.

2. The amount necessary to enable the person to make a down payment, including incidental expenses described in section 316.5, subsection 1, paragraph "c", on the purchase of a decent, safe, and sanitary dwelling. The person may, at the discretion of the displacing agency, be eligible under this subsection for the maximum payment allowed under subsection 1, except that, in the case of a displaced homeowner who has owned and occupied the displaced dwelling for at least ninety days but not more than one hundred and eighty days immediately prior to the initiation of negotiations for the acquisition of the dwelling, the payment shall not exceed the payment the person would otherwise have received under section 316.5, subsection 1, had the person owned and occupied the displaced dwelling for one hundred and eighty days immediately prior to the initiation of the negotiations.

### **316.7 Relocation assistance advisory services.**

1. A displacing agency shall ensure that relocation assistance advisory services are made available to all persons displaced by the displacing agency. If the displacing agency determines that a person occupying property adjacent to the real property where the displacing activity occurs, is caused substantial economic injury as a result of the displacing activity, the displacing agency may offer the person relocation assistance advisory services.

2. The displacing agency shall cooperate to the maximum extent feasible with federal, state, or local agencies to ensure that the displaced persons receive the maximum assistance available to them.

3. Each relocation assistance advisory program required by subsection 1 shall include such measures, facilities, or services as may be necessary or appropriate in order to comply with the provisions of the federal Uniform Relocation Act and this chapter.

4. The displacing agency shall provide other advisory services to displaced persons in order to minimize hardships to the displaced persons in adjusting to relocation.

5. The displacing agency shall coordinate relocation activities with project work, and other planned or proposed governmental actions or displacing activities in the community or nearby areas which may affect the carrying out of relocation assistance programs.

### **316.8 Housing replacement by the displacing agency.**

1. If a project cannot proceed on a timely basis because comparable replacement dwellings are not available, and the displacing agency determines that such dwellings cannot otherwise be made available, the displacing agency may take such action as is necessary or appropriate to provide the dwellings by use of funds authorized for the program or project. The displacing agency may let contracts for the construction of the dwellings, approve plans and specifications for the building of the dwellings, and supervise, inspect, and approve the dwellings once constructed in order that the dwellings so constructed comply with the terms and conditions of this chapter. The displacing agency may under this section exceed the maximum amounts which may be paid under sections 316.5 and 316.6 on a case-by-case basis for good cause as determined in accordance with administrative rules adopted by the department.

2. A person shall not be required to move from the person's dwelling on or after July 1, 1971, on account of any program or project, unless the displacing agency is satisfied that a comparable replacement dwelling is available to the person.

1. The department shall adopt administrative rules pursuant to chapter 17A as necessary to effect the provisions of this chapter and to assure:

a. Compliance with the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, Pub. L. No. 91-646, as amended by the Uniform Relocation Act Amendments of 1987, Tit. IV, Pub. L. No. 100-17.

b. The payments authorized by this chapter are fair and reasonable and as uniform as practicable.

c. A displaced person who makes proper application for a payment authorized by this chapter is paid promptly after a move or, in hardship cases, is paid in advance.

2. A person aggrieved by a determination as to eligibility for assistance or a payment authorized by this chapter, or the amount of a payment, upon application may have the matter reviewed.

3. Rules governing reviews shall provide for a prompt one-step uncomplicated fact-finding process. Such a review is an appeal of an agency action as defined in section 17A.2, subsection 2, and is not a contested case. The decision rendered shall be the displacing agency's final agency action.

### **316.12 Payments to displaced persons not to be considered as income.**

Except for any federal or state law providing low-income housing assistance, a payment received by a displaced person under this chapter shall not be considered as income for the purpose of determining the eligibility or extent of eligibility of any person for assistance under any federal or state law or for the purposes of chapter 422.

In order to prevent unnecessary expenses and duplications of functions, and to promote uniform and effective administration of relocation assistance programs for displaced persons, the displacing agency may enter into contracts with any individual, firm, association, or corporation for services in connection with the programs, or may carry out its functions through any governmental agency, political subdivision, or instrumentality having an established organization for conducting relocation assistance programs. If practicable, the services of state or local housing agencies, or other agencies having experience in the administration or conduct of similar housing assistance activities shall be used.

### **316.14 Funding.**

Funds appropriated or otherwise available to any state agency for a program or project shall also be available to carry out the provisions of this chapter.

Payments and expenditures under this chapter for highway projects are incident to and arise out of the construction, maintenance, and supervision of public highways and streets, and, in the case of any federal-aid highway project, may be made by the department from the primary road fund and funds made available by the federal government for the purpose of

carrying out this chapter. Payments made under this chapter may be made from the primary road fund in case of a primary road project only, and in other cases may be made from appropriate funds under the control of a political subdivision.

The department may do all things necessary to carry out the provisions of this chapter and to secure federal grants to make the payments required by this chapter, but the absence of federal aid to make such payments shall not discharge the obligation to make the payments. The department is authorized to pay all right-of-way and relocation assistance benefits in the full amount authorized by federal standards and rules. In order to avoid delays, payment for such benefits made in cooperation with the federal government may be advanced from the primary road fund.
