

321I.25 Course of instruction.

1. The commission shall provide, by rules adopted pursuant to section 321I.2, for the establishment of certified courses of instruction to be conducted throughout the state for the safe use and operation of all-terrain vehicles. The curriculum shall include instruction in the lawful and safe use, operation, and equipping of all-terrain vehicles consistent with this chapter and rules adopted by the commission. The commission may establish a fee for the course which shall not exceed the actual cost of instruction minus moneys received by the department from education certificate fees under section 321I.26.

2. The commission may certify any experienced, qualified operator to be an instructor of a class established under subsection 1. Each instructor shall be at least eighteen years of age.

3. Upon completion of the course of instruction, the commission shall provide for the administration of either a written test or the demonstration of adequate riding skills to any student who wishes to qualify for an education certificate.

4. The commission shall provide education material relating to the operation of all-terrain vehicles for the use of nonpublic or public elementary and secondary schools in this state.

5. The department may develop requirements and standards for online education offerings. Only vendors who have entered into a memorandum of understanding with the department shall be permitted to offer an online course that results in the issuance of an education certificate approved by the commission. Vendors may charge for their courses and collect the education certificate fee required under section 321I.26, subsection 2, on behalf of the department as agreed to in the memorandum of understanding.
