

324A.2 Technical assistance.

The department shall, at the request of a state agency, political subdivision, or public transit system or organization affected by this chapter, provide to them the following technical transportation assistance:

1. An evaluation of existing public transit systems, including but not limited to an evaluation of rolling stock, the costs of operation including the costs of fuel, maintenance and personnel and the development of common management and operating systems and procedures.

2. An analysis of existing urban and rural transit system services provided for transportation disadvantaged persons and the service needs of transportation disadvantaged persons, including an evaluation of specialized equipment required to meet the service needs of transportation disadvantaged persons.
