

**422.26 Lien of tax — collection — action authorized.**

1. Whenever any taxpayer liable to pay a tax and penalty imposed refuses or neglects to pay the same, the amount, including any interest, penalty, or addition to such tax, together with the costs that may accrue in addition thereto, shall be a lien in favor of the state upon all property and rights to property, whether real or personal, belonging to said taxpayer.

2. The lien shall attach at the time the tax becomes due and payable and shall continue for ten years from the date an assessment is issued unless sooner released or otherwise discharged. The lien may, within ten years from the date an assessment is issued, be extended by filing for record a notice with the appropriate county official of any county and from the time of such filing, the lien shall be extended to the property in such county for ten years, unless sooner released or otherwise discharged, with no limit on the number of extensions. The director shall charge off any account whose lien is allowed to lapse and may charge off any account and release the corresponding lien before the lien has lapsed if the director determines under uniform rules prescribed by the director that the account is uncollectible or collection costs involved would not warrant collection of the amount due.

3. In order to preserve the aforesaid lien against subsequent mortgagees, purchasers or judgment creditors, for value and without notice of the lien, on any property situated in a county, the director shall file with the recorder of the county, in which said property is located, a notice of said lien.

4. a. The county recorder of each county shall keep in the recorder's office an index containing the applicable entries in sections 558.49 and 558.52 and showing the following data, under the names of taxpayers, arranged alphabetically:

- (1) The name of the taxpayer.
- (2) The name "State of Iowa" as claimant.
- (3) Time notice of lien was filed for recording.
- (4) Date of notice.
- (5) Amount of lien then due.
- (6) Date of assessment.
- (7) When satisfied.

b. The recorder shall endorse on each notice of lien the day, hour, and minute when filed for recording and the document reference number, shall preserve the same, and shall index the notice in the index and shall record the lien in the manner provided for recording real estate mortgages. The lien is effective from the time of the indexing of the lien.

5. The department shall pay recording fees as provided in section 331.604, for the recording of the lien, or for its satisfaction.

6. Upon the payment of a tax as to which the director has filed notice with a county recorder, the director shall forthwith file with said recorder a satisfaction of said tax and the recorder shall enter said satisfaction on the notice on file in the recorder's office and indicate said fact on the index aforesaid.

7. a. The department shall, substantially as provided in this chapter and chapter 626, proceed to collect all taxes and penalties as soon as practicable after they become delinquent, except that no property of the taxpayer is exempt from payment of the tax. If service has not been made on a distress warrant by the officer to whom addressed within five days from the date the distress warrant was received by the officer, the authorized revenue agents of the department may serve and make return of the warrant to the clerk of the district court of the county named in the distress warrant, and all subsequent procedure shall be in compliance with chapter 626.

b. The distress warrant shall be in a form as prescribed by the director. It shall be directed to the sheriff of the appropriate county and it shall identify the taxpayer, the tax type, and the delinquent amount. It shall direct the sheriff to distrain, seize, garnish, or levy upon, and sell, as provided by law, any real or personal property belonging to the taxpayer to satisfy the amount of the delinquency plus costs. It shall also direct the sheriff to make due and prompt return to the department or to the district court under chapters 626 and 642 of all amounts collected.

8. The attorney general shall, upon the request of the director, bring an action at law or in equity, as the facts may justify, without bond, to enforce payment of any taxes and penalties,

and in such action the attorney general shall have the assistance of the county attorney of the county in which the action is pending.

9. It is expressly provided that the foregoing remedies of the state shall be cumulative and that no action taken by the director or attorney general shall be construed to be an election on the part of the state or any of its officers to pursue any remedy hereunder to the exclusion of any other remedy provided by law.

10. For purposes of this section, “*assessment issued*” means the most recent assessment against the taxpayer for the tax type and tax period.
