

427C.9 Replacing trees.

When any tree or trees on a fruit-tree or forest reservation shall be removed or die, the owner or owners of such reservation shall, within one year, plant and care for other fruit or forest trees, in order that the number of such trees may not fall below that required by this chapter.

[S13, §1400-j; C24, 27, 31, 35, 39, §2613; C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79, 81, §161.9]
C93, §427C.9

Referred to in §441.22
