

441.1 Office of assessor created.

In every county in the state of Iowa the office of assessor is hereby created. A city having a population of ten thousand or more, according to the latest federal census, may by ordinance provide for the selection of a city assessor and for the assessment of property in the city under the provisions of this chapter. A city desiring to provide for assessment under the provisions of this chapter shall, not less than sixty days before the expiration of the term of the assessor in office, notify the taxing bodies affected and proceed to establish a conference board, examining board, and board of review and select an assessor, all as provided in this chapter. A city desiring to abolish the office of city assessor shall repeal the ordinance establishing the office of city assessor, notify the county conference board and the affected taxing districts, provide for the transfer of appropriate records and other matters, and provide for the abolition of the respective boards and the termination of the terms of office of the assessor and members of the respective boards. The abolition of the city assessor's office shall take effect on July 1 following notification of the abolition unless otherwise agreed to by the affected conference boards. If notification of the proposed abolition is made after January 1, sufficient funds shall be transferred from the city assessor's budget to fund the additional responsibilities transferred to the county assessor for the next fiscal year.
