

455F.1 Definitions.

As used in this chapter unless the context otherwise requires:

1. “*Commission*” means the state environmental protection commission.
 2. “*Department*” means the department of natural resources.
 3. “*Display area label*” means the signage used by a retailer to mark a household hazardous material display area as prescribed by the department of natural resources.
 4. “*Household hazardous material*” means a product used for residential purposes and designated by rule of the department of natural resources and may include any hazardous substance as defined in section 455B.411, subsection 2; and any hazardous waste as defined in section 455B.411, subsection 3; and shall include but is not limited to the following materials: motor oils, motor oil filters, gasoline and diesel additives, degreasers, waxes, polishes, pure solvents, lacquers, thinners, caustic household cleaners, spot and stain remover with petroleum base, petroleum-based fertilizers, and paints with the exception of latex-based paints. However, “*household hazardous material*” does not include noncaustic household cleaners, laundry detergents or soaps, dishwashing compounds, chlorine bleach, personal care products, personal care soaps, cosmetics, and medications.
 5. “*Manufacturer*” means a person who manufactures or produces a household hazardous material for resale in this state.
 6. “*Residential*” means a permanent place of abode, which is a person’s home as opposed to a person’s place of business.
 7. “*Retailer*” means a person offering for sale or selling a household hazardous material to the ultimate consumer, within the state.
 8. “*Wholesaler*” or “*distributor*” means a person other than a manufacturer or manufacturer’s agent who engages in the business of selling or distributing a household hazardous material within the state, for the purpose of resale.
