

459A.104 General authority — commission and department — purpose — compliance.

1. The commission shall establish by rule adopted pursuant to chapter 17A, requirements relating to the construction, including expansion, or operation of open feedlot operations, including related open feedlot operation structures.

2. Any provision referring generally to compliance with the requirements of this chapter as applied to open feedlot operations also includes compliance with requirements in rules adopted by the commission pursuant to this section, orders issued by the department as authorized under this chapter, and the terms and conditions applicable to licenses, certifications, permits, or nutrient management plans required under this chapter.

3. The purpose of this chapter is to provide requirements relating to the construction, including the expansion, and operation of open feedlot operations, and the control of open feedlot effluent, which shall be construed to supplement applicable provisions of chapter 459. If there is a conflict between the provisions of this chapter and chapter 459, the provisions of this chapter shall prevail.
