

459B.102 Definitions.

As used in this chapter, unless the context otherwise requires:

1. “*Alluvial aquifer area*” means an area underlaid by sand or gravel aquifers situated beneath floodplains along stream valleys and includes alluvial deposits associated with stream terraces and benches, contiguous wind-blown sand deposits, and glacial outwash deposits.
2. “*Animal*” means cattle or swine.
3. “*Animal unit*” means the same as defined in section 459.102.
4. “*Animal unit capacity*” means the maximum number of animal units which the owner or operator confines in a dry bedded confinement feeding operation at any one time.
5. “*Bedding*” means crop, vegetation, or forage residue or similar materials placed in a dry bedded confinement building for the care of animals.
6. “*Commercial enterprise*” means the same as defined in section 459.102.
7. “*Confinement feeding operation*” means the same as defined in section 459.102.
8. “*Department*” means the department of natural resources.
9. “*Designated area*” means the same as defined in section 459A.102.
10. “*Designated wetland*” means the same as defined in section 459.102.
11. “*Dry bedded confinement feeding operation*” means a confinement feeding operation in which animals are confined to areas which are totally roofed and in which all manure is stored as dry bedded manure.
12. “*Dry bedded confinement feeding operation structure*” means a dry bedded manure confinement feeding operation building or a dry bedded manure storage structure.
13. “*Dry bedded manure*” means manure from animals that meets all of the following requirements:
 - a. The manure does not flow perceptibly under pressure.
 - b. The manure is not capable of being transported through a mechanical pumping device designed to move a liquid.
 - c. The manure contains bedding.
14. “*Dry bedded manure confinement feeding operation building*” or “*building*” means a building used in conjunction with a confinement feeding operation to house animals and in which any manure from the animals is stored as dry bedded manure.
15. “*Dry bedded manure storage structure*” means a covered or uncovered structure, other than a building, used to store dry bedded manure originating from a confinement feeding operation.
16. “*Educational institution*” means the same as defined in section 459.102.
17. “*Grassed waterway*” means the same as defined in section 459A.102.
18. “*High-quality water resource*” means the same as defined in section 459.102.
19. “*Karst terrain*” means the same as defined in section 459.102.
20. “*Major water source*” means the same as defined in section 459.102.
21. “*Manure*” means the same as defined in section 459.102.
22. “*One hundred year floodplain*” means the same as defined in section 459.102.
23. “*Public use area*” means the same as defined in section 459.102.
24. “*Stockpile*” means to store dry bedded manure outside of a dry bedded manure confinement feeding operation building or a dry bedded manure storage structure.
25. “*Water source*” means the same as defined in section 459.102.
