

473.19A Building energy management fund.

1. The building energy management fund is created within the state treasury under the control of the authority. The fund shall be used for the operational expenses and administrative costs incurred by the authority in facilitating and administering the building energy management program established in section 473.19.

2. The building energy management fund shall consist of amounts deposited into the fund or allocated from the following sources:

a. Any moneys awarded or allocated to the state, its citizens, or its political subdivisions as a result of the federal court decisions and United States department of energy settlements resulting from alleged violations of federal petroleum pricing regulations attributable to or contained within the Exxon fund. Amounts remaining in the oil overcharge account established in section 455E.11, subsection 2, paragraph “e”, Code 2007, and the energy conservation trust established in section 473.11, Code 2007, as of June 30, 2008, shall be deposited into the building energy management fund pursuant to this paragraph, notwithstanding section 8.60, subsection 15, Code 2007.

b. (1) Moneys received in the form of fees imposed upon the state, state agencies, political subdivisions of the state, school districts, area education agencies, community colleges, and nonprofit organizations for services performed or assistance rendered pursuant to the building energy management program. Fees imposed pursuant to this paragraph shall be established by the authority in an amount corresponding to the operational expenses or administrative costs incurred by the authority in performing services or providing assistance authorized pursuant to the building energy management program, as follows:

(a) For a building of up to twenty-five thousand square feet, two thousand five hundred dollars.

(b) For a building in excess of twenty-five thousand square feet, an additional eight cents per square foot.

(c) A building that houses more energy intensive functions may be subject to a higher fee than the fees specified in subparagraph divisions (a) and (b) as determined by the authority.

(2) Any fees imposed shall be retained by the authority and are appropriated to the authority for purposes of providing services or assistance under the program.

c. Moneys appropriated by the general assembly and any other moneys, including grants and gifts from government and nonprofit organizations, available to and obtained or accepted by the authority for placement in the fund.

d. Moneys contained in the intermodal revolving loan fund administered by the department of transportation for the fiscal year beginning July 1, 2019, and succeeding fiscal years.

e. Moneys in the fund are not subject to section 8.33. Notwithstanding section 12C.7, interest or earnings on moneys in the fund shall be credited to the fund.

3. The building energy management fund shall be limited to a maximum of one million dollars. Amounts in excess of this maximum limitation shall be transferred to and deposited in the rebuild Iowa infrastructure fund created in section 8.57, subsection 5.
