

**476.79 Provision of nonutility service.**

1. A rate-regulated gas or electric public utility providing any nonutility service to its customers shall keep and render to the board separate records of the nonutility service. The board may provide for the examination and inspection of the books, accounts, papers, and records of the nonutility service, as may be necessary, to enforce any provisions of this chapter.

2. The board shall adopt rules which specify the manner and form of the accounts relating to providing nonutility services which the rate-regulated gas or electric utility shall maintain.
