If there is more than one viator on a single policy and the viators are residents of different states, the transaction shall be governed by the law of the state in which the viator having the largest percentage ownership resides or, if the viators hold equal ownership, the state of residence of one viator agreed upon in writing by all the viators.

In conducting the examination, the examiner shall observe those guidelines and procedures set forth in the examiners handbook adopted by the national association of insurance commissioners. The commissioner may also adopt rules for such other guidelines or procedures as the commissioner may deem appropriate.

b. Every licensee or person from whom information is sought, its officers, directors, and agents shall provide to the examiners timely, convenient, and free access at all reasonable hours at its offices to all books, records, accounts, papers, documents, assets, and computer or other recordings relating to the property, assets, business, and affairs of the licensee being examined. The officers, directors, employees, and agents of the licensee or person shall facilitate the examination and aid in the examination so far as it is in their power to do

so. The refusal of a licensee, by its officers, directors, employees, or agents, to submit to examination or to comply with any reasonable written request of the commissioner shall be grounds for suspension or refusal of, or nonrenewal of, any license or authority held by the licensee to engage in the viatical settlement business or other business subject to the commissioner's jurisdiction. Any proceedings for suspension, revocation, or refusal of any license or authority shall be conducted pursuant to section 507B.6A.

c. The commissioner shall have the power to issue subpoenas, to administer oaths, and to examine under oath any person as to any matter pertinent to the examination. Upon the failure or refusal of a person to obey a subpoena, the commissioner may petition a court of competent jurisdiction, and upon proper showing, the court may enter an order compelling the witness to appear and testify or produce documentary evidence. A failure to obey the court order shall be punishable as contempt of court.

d. When making an examination under this chapter, the commissioner may retain attorneys, appraisers, independent actuaries, independent certified public accountants, or other professionals and specialists as examiners, the reasonable cost of which shall be borne by the licensee that is the subject of the examination.

e. Nothing contained in this chapter shall be construed to limit the commissioner's authority to terminate or suspend an examination in order to pursue other legal or regulatory action pursuant to the insurance laws of this state. Findings of fact and conclusions made pursuant to any examination shall be prima facie evidence in any legal or regulatory action.

f. The commissioner's authority to use and, if appropriate, to make public any final or preliminary examination report, any examiner or licensee workpapers, or other documents, or any other information discovered or developed during the course of any examination in the furtherance of any legal or regulatory action shall be permitted consistent with section 507.14.

4. *Examination reports.*

a. Examination reports shall be comprised of only facts appearing upon the books, records, or other documents of the licensee, its agents, or other persons examined, or as ascertained from the testimony of its officers, agents, or other persons examined concerning its affairs, and such conclusions and recommendations as the examiners find reasonably warranted from the facts.

b. Not later than sixty days following completion of the examination, the examiner in charge shall file with the commissioner a verified written report of examination under oath. Upon receipt of the verified report, the commissioner shall transmit the report to the licensee examined, together with a notice that shall afford the licensee examined a reasonable opportunity of not more than thirty days to make a written submission or rebuttal with respect to any matters contained in the examination report.

c. In the event the commissioner determines that regulatory action is appropriate as a result of an examination, the commissioner may initiate any proceedings or actions provided by law.

5. *Confidentiality of examination information.*

a. Notwithstanding chapter 22, the names and individual identification data for all viators shall be considered private and confidential information and shall not be disclosed by the commissioner, unless required by law.

b. Except as otherwise provided in this chapter, all examination reports, working papers, recorded information, documents, and copies thereof produced by, obtained by, or disclosed to the commissioner or any other person in the course of an examination made under this chapter, or in the course of an analysis or investigation by the commissioner of the financial condition or market conduct of a licensee, shall be confidential by law and privileged, shall not be subject to chapter 22, shall not be subject to subpoena, and shall not be subject to discovery or admissible in evidence in any private civil action. The commissioner is authorized to use the documents, materials, or other information in the furtherance of any regulatory or legal action brought as part of the commissioner's official duties. All examination reports, working papers, recorded information, documents, and their copies produced by, obtained by, or disclosed to the commissioner or any other person in the course of an examination made under this chapter, or in the course of an analysis or investigation by the commissioner

of the financial condition or market conduct of a licensee shall be privileged and confidential in any judicial or administrative proceeding except for any of the following:

(1) An administrative proceeding brought by the insurance division under chapter 17A.

(2) A judicial review proceeding under chapter 17A brought by an insurer to whom the records relate.

(3) An action or proceeding which arises out of the criminal provisions of the laws of this state or the United States.

c. Documents, materials, or other information, including but not limited to all working papers and copies, in the possession or control of the national association of insurance commissioners and its affiliates and subsidiaries shall be confidential by law and privileged, shall not be subject to chapter 22, shall not be subject to subpoena, and shall not be subject to discovery or admissible in evidence in any private civil action if they are any of the following:

(1) Created, produced, or obtained by or disclosed to the national association of insurance commissioners and its affiliates and subsidiaries in the course of assisting an examination made under this chapter, or assisting the commissioner in the analysis or investigation of the financial condition or market conduct of a licensee.

(2) Disclosed to the national association of insurance commissioners and its affiliates and subsidiaries under paragraph "d" by the commissioner.

(3) For the purposes of paragraph "b", "chapter" includes the law of another state or jurisdiction that is substantially similar to this chapter.

d. In order to assist in the performance of the commissioner's duties, the commissioner may do all of the following:

(1) Share documents, materials, or other information, including the confidential and privileged documents, materials, or information subject to paragraph "a", with other state, federal, and international regulatory agencies, with the national association of insurance commissioners and its affiliates and subsidiaries, and with state, federal, and international law enforcement authorities, provided that the recipient agrees to maintain the confidentiality and privileged status of the documents, materials, communications, or other information.

(2) Receive documents, materials, communications, or information, including otherwise confidential and privileged documents, materials, or information, from the national association of insurance commissioners and its affiliates and subsidiaries, notwithstanding chapter 22, and from regulatory and law enforcement officials of other foreign or domestic jurisdictions, and shall maintain as confidential or privileged any documents, materials, or information received with notice or the understanding that it is confidential or privileged under the laws of the jurisdiction that is the source of the documents, materials, or information.

(3) Enter into agreements governing sharing and use of information consistent with section 507.14, subsection 4.

e. No waiver of any applicable privilege or claim of confidentiality in the documents, materials, or information shall occur as a result of disclosure to the commissioner under this section or as a result of sharing as authorized in paragraph "c".

f. A privilege established under the law of any state or jurisdiction that is substantially similar to the privilege established under this subsection shall be available and enforced in any proceeding in, and in any court of, this state.

g. Nothing contained in this chapter shall prevent or be construed as prohibiting the commissioner from disclosing the content of an examination report, preliminary examination report or results, or any matter relating thereto, to the commissioner of any other state or country, or to law enforcement officials of this or any other state or agency of the federal government at any time or to the national association of insurance commissioners, so long as such agency or office receiving the report or matters relating thereto agrees in writing to hold it confidential and in a manner consistent with this chapter.

6. *Conflict of interest.*

a. An examiner may not be appointed by the commissioner if the examiner, either directly or indirectly, has a conflict of interest or is affiliated with the management of or owns a pecuniary interest in any person subject to examination under this chapter. This section shall not be construed to automatically preclude an examiner from being any of the following:

- (1) A viator.
- (2) An insured in a viaticated insurance policy.
- (3) A beneficiary in an insurance policy that is proposed to be viaticated.

b. Notwithstanding the requirements of paragraph “a”, the commissioner may retain from time to time, on an individual basis, qualified actuaries, certified public accountants, or other similar individuals who are independently practicing their professions, even though these persons may from time to time be similarly employed or retained by persons subject to examination under this chapter.

7. *Cost of examinations.*

a. The commissioner may appoint insurance examiners who, while conducting examinations, shall possess all the powers conferred upon the commissioner for such purposes. The entire time of the examiners shall be under the control of the commissioner, and shall be employed as the commissioner may direct.

b. The commissioner may, when in the commissioner’s judgment it is advisable, appoint assistants to aid in making examinations. The examiners shall be compensated on the basis of the normal workweek of the insurance division at a salary to be fixed by the commissioner subject, however, to the provisions of section 505.14. The compensation shall be paid from appropriations for such purposes upon certification of the commissioner, which shall be reimbursed as provided in sections 507.8 and 507.9.

c. When making an examination under this chapter, the commissioner may retain attorneys, appraisers, independent actuaries, independent certified public accountants, or other professionals and specialists as examiners, the reasonable cost of which shall be borne by the company which is the subject of the examination.

d. The commissioner shall, upon the completion of an examination, or at such regular intervals prior to completion as the commissioner determines, prepare an account of the costs incurred in performing and preparing the report of such examinations which shall be charged to and paid by the company examined, and upon failure or refusal of a company examined to pay such costs, the same may be recovered by the commissioner or the attorney general in an action brought in the name of the state, and the commissioner may also revoke the certificate of authority of such company to transact business within this state.

8. *Immunity from liability.*

a. No cause of action shall arise, nor shall any liability be imposed, against the commissioner, the commissioner’s authorized representatives, or any examiner appointed by the commissioner for any statements made or conduct performed reasonably and in good faith while carrying out the provisions of this chapter.

b. No cause of action shall arise, nor shall any liability be imposed, against any person for the act of communicating or delivering information or data to the commissioner or the commissioner’s authorized representative or examiner pursuant to an examination made under this chapter, if the act of communication or delivery was performed reasonably and in good faith and without fraudulent intent or the intent to deceive. This paragraph does not abrogate or modify in any way any common law or statutory privilege or immunity heretofore enjoyed by any person identified in paragraph “a”.

9. *Investigative authority of the commissioner.* The commissioner may investigate suspected fraudulent viatical settlement acts and persons engaged in the business of viatical settlements.

2008 Acts, ch 1155, §7

508E.8 Disclosure to viator.

1. With each application for a viatical settlement, a viatical settlement provider or viatical settlement broker shall provide the viator with at least the following disclosures no later than the time the application for the viatical settlement contract is signed by all parties. The disclosures shall be provided in a separate document that is signed by the viator and the viatical settlement provider or viatical settlement broker, and shall provide all of the following information:

a. There are possible alternatives to viatical settlement contracts including any accelerated death benefits or policy loans offered under the viator’s life insurance policy.

b. That a viatical settlement broker represents exclusively the viator, and not the insurer or the viatical settlement provider, and owes a fiduciary duty to the viator, including a duty to act according to the viator's instructions and in the best interest of the viator.

c. Some or all of the proceeds of the viatical settlement may be taxable under federal income tax and state franchise and income taxes, and assistance should be sought from a professional tax advisor.

d. Proceeds of the viatical settlement could be subject to the claims of creditors.

e. Receipt of the proceeds of a viatical settlement may adversely affect the viator's eligibility for Medicaid or other government benefits or entitlements, and advice should be obtained from the appropriate government agencies.

f. The viator has the right to rescind a viatical settlement contract before the earlier of thirty days after the date upon which the viatical settlement contract is executed by all parties or fifteen days after the viatical settlement proceeds have been paid to the viator, as provided in section 508E.10, subsection 3. Rescission, if exercised by the viator, is effective only if both notice of the rescission is given, and the viator repays all proceeds and any premiums, loans, and loan interest paid on account of the viatical settlement within the rescission period. If the insured dies during the rescission period, the viatical settlement contract shall be deemed to have been rescinded, subject to repayment by the viator or the viator's estate of all viatical settlement proceeds and any premiums, loans, and loan interest that have been paid by the viatical settlement provider or purchaser within sixty days of the insured's death.

g. Funds will be sent to the viator within three business days after the viatical settlement provider has received the insurer's or group administrator's written acknowledgment that ownership of the policy or interest in the certificate has been transferred and the beneficiary has been designated.

h. Entering into a viatical settlement contract may cause other rights or benefits, including conversion rights and waiver of premium benefits, that may exist under the policy or certificate, to be forfeited by the viator. Assistance should be sought from a financial adviser.

i. Disclosure to a viator shall include distribution of a brochure describing the process of viatical settlements. The national association of insurance commissioners form for the brochure shall be used unless another form is developed and approved by the commissioner.

j. The disclosure document shall contain the following language:

All medical, financial, or personal information solicited or obtained by a viatical settlement provider or viatical settlement broker about an insured, including the insured's identity or the identity of family members, a spouse, or a significant other may be disclosed as necessary to effect the viatical settlement between the viator and the viatical settlement provider. If you are asked to provide this information, you will be asked to consent to the disclosure. The information may be provided to someone who buys the policy or provides funds for the purchase. You may be asked to renew your permission to share information every two years.

k. Following execution of a viatical contract, the insured may be contacted for the purpose of determining the insured's health status and to confirm the insured's residential or business street address and telephone number, or as otherwise provided in this chapter. This contact shall be limited to once every three months if the insured has a life expectancy of more than one year, and no more than once per month if the insured has a life expectancy of one year or less. All such contacts shall be made only by a duly licensed viatical settlement provider or by the authorized representative of a duly licensed viatical settlement provider.

2. A viatical settlement provider shall provide the viator with at least the following disclosures no later than the date the viatical settlement contract is signed by all parties. The disclosures shall be conspicuously displayed in the viatical settlement contract or in a separate document signed by the viator and provide all of the following information:

a. The affiliation, if any, between the viatical settlement provider and the issuer of the insurance policy to be viaticated.

b. The name, business address, and telephone number of the viatical settlement provider.

c. If an insurance policy to be viaticated has been issued as a joint policy or involves family

riders or any coverage of a life other than the insured under the policy to be viaticated, a notice of the viator's possible loss of coverage on the other lives under the policy and to consult with the viator's insurance producer or the insurer issuing the policy for advice on the proposed viatical settlement.

d. The dollar amount of the current death benefit payable to the viatical settlement provider under the policy or certificate. If known, the viatical settlement provider shall also disclose the availability of any additional guaranteed insurance benefits, the dollar amount of any accidental death and dismemberment benefits under the policy or certificate, and the extent to which the viator's interest in those benefits will be transferred as a result of the viatical settlement contract.

e. Whether the funds will be escrowed with an independent third party during the transfer process, and if so, provide the name, business address, and telephone number of the independent third-party escrow agent, and the fact that the viator or owner may inspect or receive copies of the relevant escrow or trust agreements or documents.

3. A viatical settlement broker shall provide the viator with at least the following disclosures no later than the date the viatical settlement contract is signed by all parties. The disclosures shall be conspicuously displayed in the viatical settlement contract or in a separate document signed by the viator and provide all of the following information:

a. The name, business address, and telephone number of the viatical settlement broker.

b. A full, complete, and accurate description of all offers, counteroffers, acceptances, and rejections relating to the proposed viatical settlement contract.

c. Any affiliations or contractual arrangements between the viatical settlement broker and any person making an offer in connection with the proposed viatical settlement contracts.

d. The amount and method of calculating the broker's compensation. As used in this paragraph, "compensation" includes anything of value paid or given to a viatical settlement broker for the placement of a policy.

e. Where any portion of the viatical settlement broker's compensation, as defined in paragraph "d", is taken from a proposed viatical settlement offer, the broker shall disclose the total amount of the viatical settlement offer and the percentage of the viatical settlement offer comprised by the viatical settlement broker's compensation.

4. If the viatical settlement provider transfers ownership or changes the beneficiary of the insurance policy, the viatical settlement provider shall communicate in writing the change in ownership or beneficiary to the insured within twenty days after the change.

5. A viatical settlement provider shall provide the viatical settlement purchaser with at least the following disclosures prior to the date the viatical settlement purchase agreement is signed by all parties. The disclosures shall be conspicuously displayed in any viatical purchase contract or in a separate document signed by the viatical settlement purchaser and viatical settlement provider or viatical settlement investment agent, and shall make the following disclosure to the viatical settlement purchaser:

a. The viatical settlement purchaser will receive no returns including dividends and interest, until the insured dies and a death claim payment is made.

b. The actual annual rate of return on a viatical settlement contract is dependent upon an accurate projection of the insured's life expectancy, and the actual date of the insured's death. An annual "guaranteed" rate of return is not determinable.

c. The viaticated life insurance contract should not be considered a liquid purchase since it is impossible to predict the exact timing of its maturity and the funds probably are not available until the death of the insured. There is no established secondary market for resale of these products by the viatical settlement purchaser.

d. The viatical settlement purchaser may lose all benefits or may receive substantially reduced benefits if the insurer goes out of business during the term of the viatical investment.

e. The viatical settlement purchaser is responsible for payment of the insurance premium or other costs related to the policy, if required by the terms of the viatical purchase agreement. These payments may reduce the viatical settlement purchaser's return. If a party other than the viatical settlement purchaser is responsible for the payment, the name and address of that party also shall be disclosed.

f. The viatical settlement purchaser is responsible for payment of the insurance premiums

or other costs related to the policy if the insured returns to health. The viatical settlement provider shall disclose the amount of such premiums, if applicable.

g. The name, business address, and telephone number of the independent third party providing escrow services and the relationship to the viatical settlement broker.

h. The amount of any trust fees or other expenses to be charged to the viatical settlement purchaser shall be disclosed.

i. Whether the viatical settlement purchaser is entitled to a refund of all or part of the viatical settlement purchaser's investment under the viatical settlement contract if the policy is later determined to be null and void.

j. That group policies may contain limitations or caps in the conversion rights, that additional premiums may have to be paid if the policy is converted, the name of the party responsible for the payment of the additional premiums, and, if a group policy is terminated and replaced by another group policy, that there may be no right to convert the original coverage.

k. The risks associated with policy contestability including but not limited to the risk that the viatical settlement purchaser will have no claim or only a partial claim to death benefits should the insurer rescind the policy within the contestability period.

l. Whether the viatical settlement purchaser will be the owner of the policy in addition to being the beneficiary, and if the viatical settlement purchaser is the beneficiary only and not also the owner, the special risks associated with that status, including but not limited to the risk that the beneficiary may be changed or the premium may not be paid.

m. The experience and qualifications of the person who determines the life expectancy of the insured, including in-house staff, independent physicians, and specialty firms that weigh medical and actuarial data; the information this projection is based on; and the relationship of the projection maker to the viatical settlement provider, if any.

n. A brochure describing the process of investment in viatical settlements. The national association of insurance commissioners form for the brochure shall be used unless another form is developed and approved by the commissioner.

6. A viatical settlement provider shall provide the viatical settlement purchaser with at least the following disclosures no later than at the time of the assignment, transfer, or sale of all or a portion of an insurance policy. The disclosures shall be contained in a document signed by the viatical settlement purchaser and viatical settlement provider, and shall make all of the following disclosures to the viatical settlement purchaser:

a. All the life expectancy certifications obtained by the provider in the process of determining the price paid to the viator.

b. Whether premium payments or other costs related to the policy have been escrowed. If escrowed, state the date upon which the escrowed funds will be depleted and whether the viatical settlement purchaser will be responsible for payment of premiums thereafter and, if so, the amount of the premiums.

c. Whether premium payments or other costs related to the policy have been waived. If waived, disclose whether the viatical settlement purchaser will be responsible for payment of the premiums if the insurer that wrote the policy terminates the waiver after purchase and the amount of those premiums.

d. The type of policy offered or sold, i.e., whole life, term life, universal life, or a group policy certificate, any additional benefits contained in the policy, and the current status of the policy.

e. If the policy is term insurance, the special risks associated with term insurance including but not limited to the viatical settlement purchaser's responsibility for additional premiums if the viator continues the term policy at the end of the current term.

f. Whether the policy is contestable.

g. Whether the insurer that wrote the policy has any additional rights that could negatively affect or extinguish the viatical settlement purchaser's rights under the viatical settlement contract, what these rights are, and under what conditions these rights are activated.

h. The name and address of the person responsible for monitoring the insured's condition. The viatical settlement provider shall describe how often the monitoring of the insured's

condition is done, how the date of death is determined, and how and when this information will be transmitted to the viatical settlement purchaser.

2008 Acts, ch 1155, §8; 2008 Acts, ch 1191, §130

Referred to in §508E.5, 508E.10

508E.9 Disclosure to insurer.

A viatical settlement broker, or viatical settlement provider, shall fully disclose to an insurer a transaction or series of transactions to which the viatical settlement broker or viatical settlement provider is a party to originate, renew, continue, or finance a life insurance policy with the insurer for the purpose of engaging in the business of viatical settlements at any time prior to, or during the first five years after, issuance of the policy.

2008 Acts, ch 1155, §9

508E.10 General rules.

1. *a.* A viatical settlement provider entering into a viatical settlement contract shall first obtain all of the following:

(1) If the viator is the insured, a written statement from a licensed attending physician that the viator is of sound mind and under no constraint or undue influence to enter into a viatical settlement contract.

(2) A document in which the insured consents to the release of the insured's medical records to a licensed viatical settlement provider, viatical settlement broker, and, if the policy was issued less than two years from the date of application for a viatical settlement contract, the insurance company that issued the life insurance policy covering the life of the insured.

b. Within twenty days after a viator executes documents necessary to transfer any rights under an insurance policy or within twenty days of entering any agreement, option, promise, or any other form of understanding, expressed or implied, to viaticate the policy, the viatical settlement provider shall give written notice to the insurer that issued that insurance policy that the policy has or will become a viaticated policy. The notice shall be accompanied by the documents required by paragraph "c".

c. The viatical provider shall deliver a copy of the medical release required under paragraph "a", subparagraph (2), a copy of the viator's application for the viatical settlement contract, the notice required under paragraph "b", and a request for verification of coverage to the insurer that issued the life policy that is the subject of the viatical transaction. The national association of insurance commissioners form for verification of coverage shall be used unless another form is developed and approved by the commissioner.

d. The insurer shall respond to a request for verification of coverage submitted on an approved form by a viatical settlement provider or viatical settlement broker within thirty days of the date the request is received and shall indicate whether, based on the medical evidence and documents provided, the insurer intends to pursue an investigation at this time regarding the validity of the insurance contract or possible fraud. The insurer shall accept a request for verification of coverage made on a national association of insurance commissioners form or any other form developed and approved by the commissioner. The insurer shall accept an original, facsimile, or electronic copy of such request and any accompanying authorization signed by the viator. A failure by the insurer to meet its obligations under this subsection shall be a violation of sections 508E.11 and 508E.17.

e. Prior to or at the time of execution of the viatical settlement contract, the viatical settlement provider shall obtain a witnessed document in which the viator consents to the viatical settlement contract, represents that the viator has a full and complete understanding of the viatical settlement contract, that the viator has a full and complete understanding of the benefits of the life insurance policy, acknowledges that the viator is entering into the viatical settlement contract freely and voluntarily, and, for persons with a terminal or chronic illness or condition, acknowledges that the insured has a terminal or chronic illness or condition and that the terminal or chronic illness or condition was diagnosed after the life insurance policy was issued.

f. If a viatical settlement broker performs any of these activities required of the

viatical settlement provider, the viatical settlement provider is deemed to have fulfilled the requirements of this section.

2. All medical information solicited or obtained by any licensee shall be subject to the applicable provisions of state law relating to confidentiality of medical information, including section 505.8.

3. All viatical settlement contracts entered into in this state shall provide the viator with an absolute right to rescind the contract before the earlier of thirty days after the date upon which the viatical settlement contract is executed by all parties or fifteen days after the viatical settlement proceeds have been sent to the viator as provided in subsection 4. Rescission by the viator may be conditioned upon the viator both giving notice and repaying to the viatical settlement provider within the rescission period all viatical settlement proceeds, and any premiums, loans, and loan interest paid by or on behalf of the viatical settlement provider in connection with or as a consequence of the viatical settlement. If the insured dies during the rescission period, the viatical settlement contract shall be deemed to have been rescinded, subject to repayment to the viatical settlement provider or purchaser of all viatical settlement proceeds, and any premiums, loans, and loan interest that have been paid by the viatical settlement provider or purchaser, which shall be paid within sixty days of the death of the insured. In the event of any rescission, if the viatical settlement provider has paid commissions or other compensation to a viatical settlement broker in connection with the rescinded transaction, the viatical settlement broker shall refund all such commissions and compensation to the viatical settlement provider within five business days following receipt of written demand from the viatical settlement provider, which demand shall be accompanied by either the viator's notice of rescission if rescinded at the election of the viator, or a notice of the death of the insured if rescinded by reason of the death of the insured within the applicable rescission period.

4. The viatical settlement provider shall instruct the viator to send the executed documents required to effect the change in ownership, assignment, or change in beneficiary directly to the independent escrow agent. Within three business days after the date the escrow agent receives the document, or from the date the viatical settlement provider receives the documents, if the viator erroneously provides the documents directly to the viatical settlement provider, the viatical settlement provider shall pay or transfer the viatical settlement proceeds into an escrow or trust account maintained in a state or federally chartered financial institution whose deposits are insured by the federal deposit insurance corporation. Upon payment of the viatical settlement proceeds into the escrow account, the escrow agent shall deliver the original change in ownership, assignment, or change in beneficiary forms to the viatical settlement provider or related provider trust, or other designated representative of the viatical settlement provider. Upon the escrow agent's receipt of the acknowledgment of the properly completed transfer of ownership, assignment, or designation of beneficiary from the insurance company, the escrow agent shall pay the viatical settlement proceeds to the viator.

5. A failure to tender consideration to the viator for the viatical settlement contract within the time set forth in the disclosure pursuant to section 508E.8, subsection 1, paragraph "g", renders the viatical settlement contract voidable by the viator for lack of consideration until the time consideration is tendered to and accepted by the viator. Funds shall be deemed sent by a viatical settlement provider to a viator as of the date that the escrow agent either releases funds for wire transfer to the viator or places a check for delivery to the viator via the United States postal service or other nationally recognized delivery service.

6. A contact with the insured for the purpose of determining the health status of the insured by the viatical settlement provider or viatical settlement broker after the viatical settlement has occurred shall only be made by the viatical settlement provider or viatical settlement broker licensed pursuant to section 508E.3 or its authorized representatives and shall be limited to once every three months for insureds with a life expectancy of more than one year, and to no more than once per month for insureds with a life expectancy of one year or less. The viatical settlement provider or viatical settlement broker shall explain the procedure for these contacts at the time the viatical settlement contract is entered into. The limitations set forth in this subsection shall not apply to any contact with an insured for

reasons other than determining the insured's health status. A viatical settlement provider and a viatical settlement broker shall be responsible for the actions of their authorized representatives.

2008 Acts, ch 1155, §10

Referred to in §508E.5, 508E.8, 508E.12

508E.11 Prohibited practices.

1. Except as provided in section 508E.12, it is a violation of this chapter for any person to enter into a viatical settlement contract at any time prior to the application or issuance of a policy which is the subject of a viatical settlement contract or within a five-year period commencing with the date of issuance of the insurance policy or certificate.

2. An insurer shall not, as a condition of responding to a request for verification of coverage or effecting the transfer of a policy pursuant to a viatical settlement contract, require that the viator, insured, viatical settlement provider, or viatical settlement broker sign any form, disclosure, consent, or waiver form that has not been expressly approved by the commissioner for use in connection with viatical settlement contracts in this state.

3. Upon receipt of a properly completed request for change of ownership or beneficiary of a policy, the insurer shall respond in writing within twenty days, with written acknowledgment confirming that the change has been effected or specifying the reasons why the requested change cannot be processed. The insurer shall not unreasonably delay effecting a change of ownership or beneficiary and shall not otherwise seek to interfere with any viatical settlement contract lawfully entered into in this state.

a. The policy was issued upon the viator's exercise of conversion rights arising out of a group or individual policy, provided the total of the time covered under the conversion policy plus the time covered under the prior policy is at least sixty months. 2. Notwithstanding section 508E.11, a person may enter into a viatical settlement contract if at all times prior to the date that is two years after policy issuance, all of the following conditions are met with respect to the policy:

a. Policy premiums have been funded exclusively with any of the following:

(1) Unencumbered assets, including an interest in the life insurance policy being financed only to the extent of its net cash surrender value, provided by a person described in section 508E.2, subsection 15, paragraph "d", subparagraph (5).

(2) Fully recourse liability incurred by the insured or a person described in section 508E.2, subsection 15, paragraph “d”, subparagraph (5).

b. There is no agreement or understanding with any other person to guarantee any such liability or to purchase, or stand ready to purchase, the policy, including through an assumption or forgiveness of the loan.

c. Neither the insured nor the policy has been evaluated for settlement.

3. Copies of the affidavits described in this section and documents required by section 508E.10, subsection 1, shall be submitted to the insurer when the viatical settlement provider or viatical settlement broker submits a request to the insurer for verification of coverage. The copies shall be accompanied by a letter of attestation from the viatical settlement provider that the copies are true and correct copies of the documents received by the viatical settlement provider.

4. If the viatical settlement provider submits to the insurer a copy of the owner’s or insured’s or insurer’s affidavit described in this section when the provider submits a request to the insurer to effect the transfer of the policy or certificate to the viatical settlement provider, the copy shall be deemed to conclusively establish that the viatical settlement contract satisfies the requirement of this section and the insurer shall timely respond to the request.

Referred to in §508E.11

508E.13 Prohibited practices and conflicts of interest.

1. With respect to any viatical settlement contract or insurance policy, a viatical settlement broker shall not knowingly solicit an offer from, effectuate a viatical settlement with, or make a sale to any viatical settlement provider, viatical settlement purchaser, financing entity, or related provider trust that is controlling, controlled by, or under common control with such viatical settlement broker unless such relationship is disclosed to the viator.

2. With respect to any viatical settlement contract or insurance policy, a viatical settlement provider shall not knowingly enter into a viatical settlement contract with a viator, if, in connection with such viatical settlement contract, anything of value will be paid to a viatical settlement broker that is controlling, controlled by, or under common control with such viatical settlement provider or the viatical settlement purchaser, financing entity, or related provider trust that is involved in such viatical settlement contract unless such relationship is disclosed to the viator.

3. A viatical settlement provider shall not enter into a premium finance agreement with any person or agency, or any person affiliated with such person or agency, pursuant to which such person or agency shall receive any proceeds, fees, or other consideration, directly or indirectly, from the policy or owner of the policy or any other person with respect to the premium finance agreement or any viatical settlement contract or other transaction related to such policy that are in addition to the amounts required to pay the principal, interest, and service charges related to policy premiums pursuant to the premium finance agreement or subsequent sale of such agreement. Any payments, charges, fees, normal insurance commissions, or other amounts in addition to the amounts required to pay the principal, interest, and service charges related to policy premiums paid under the premium finance agreement shall be remitted to the original owner of the policy or to the original owner’s estate if the original owner is not living at the time of the determination of the overpayment.

4. A violation of subsection 1, 2, or 3 shall be deemed a fraudulent viatical settlement act.

5. A person shall not issue, solicit, market, or otherwise promote the purchase of an insurance policy for the sole purpose of or with a primary emphasis on settling the policy.

6. A person providing premium financing shall not receive any proceeds, fees, or other consideration from the policy or owner of the policy that are in addition to the amounts required to pay principal, interest, and any costs or expenses incurred by the lender or borrower in connection with the premium finance agreement, except for the event of a default, unless either the default on such loan or transfer of the policy occurs pursuant to an agreement or understanding with any other person for the purpose of evading regulation under this chapter. Any payments, charges, fees, or other amounts received by a person

providing premium financing in violation of this subsection shall be remitted to the original owner of the policy or to the original owner's estate if the original owner is not living at the time of the determination of overpayment.

7. In the solicitation, application for, or issuance of a life insurance policy, a person shall not employ any device, scheme, or artifice to create an insurable interest in the life of a person except as provided in sections 511.39 and 511.40.

8. No viatical settlement provider shall enter into a viatical settlement contract unless the viatical settlement promotional, advertising, and marketing materials, as may be prescribed by rules adopted by the commissioner, have been filed with the commissioner. In no event shall any marketing materials expressly reference that the insurance is free for any period of time. The inclusion of any reference in the marketing materials that would cause a viator to reasonably believe that the insurance is free for any period of time shall be considered a violation of this chapter.

9. No life insurance producer, insurance company, viatical settlement broker, or viatical settlement provider shall make any statement or representation to the applicant or policyholder in connection with the sale or financing of a life insurance policy to the effect that the insurance is free or without cost to the policyholder for any period of time unless provided in the policy.

2008 Acts, ch 1155, §13

508E.14 Advertising for viatical settlements.

The purpose of this section is to provide prospective viators with clear and unambiguous statements in the advertisement of viatical settlements and to assure the clear, truthful, and adequate disclosure of the benefits, risks, limitations, and exclusions of any viatical settlement contract. This purpose is intended to be accomplished by rules adopted by the commissioner for the establishment of guidelines and standards of permissible and impermissible conduct in the advertising of viatical settlements to assure that product descriptions are presented in a manner that prevents unfair, deceptive, or misleading advertising, and is conducive to accurate presentation and description of viatical settlements through the advertising media and materials used by viatical settlement licensees.

1. This section shall apply to any advertising of viatical settlement contracts or related products or services intended for dissemination in this state, including internet advertising viewed by persons located in this state. Where disclosure requirements are established pursuant to federal regulation, this section shall be interpreted so as to minimize or eliminate conflict with federal regulation wherever possible.

2. Every viatical settlement licensee shall establish and at all times maintain a system of control over the content, form, and method of dissemination of all advertisements of its contracts, products, and services. All advertisements, regardless of by whom written, created, designed, or presented, shall be the responsibility of the viatical settlement licensees, as well as the individual who created or presented the advertisement. A system of control shall include regular, routine notification, at least once a year, to agents and others authorized by the viatical settlement licensee who disseminate advertisements of the requirements and procedures for approval prior to the use of any advertisements not furnished by the viatical settlement licensee.

3. An advertisement shall be truthful and not misleading in fact or by implication. The form and content of an advertisement of a viatical settlement contract shall be sufficiently complete and clear so as to avoid deception. It shall not have the capacity or tendency to mislead or deceive. Whether an advertisement has the capacity or tendency to mislead or deceive shall be determined by the commissioner from the overall impression that the advertisement may be reasonably expected to create upon a person of average education or intelligence within the segment of the public to which it is directed.

4. The information required to be disclosed under this section shall not be minimized, rendered obscure, or presented in an ambiguous fashion or intermingled with the text of the advertisement so as to be confusing or misleading.

a. An advertisement shall not omit material information or use words, phrases, statements, references, or illustrations if the omission or use has the capacity, tendency,

or effect of misleading or deceiving viators as to the nature or extent of any benefit, loss covered, premium payable, or state or federal tax consequence. The fact that the viatical settlement contract offered is made available for inspection prior to consummation of the sale, or an offer is made to refund the payment if the viator is not satisfied or that the viatical settlement contract includes a free-look period that satisfies or exceeds legal requirements, does not remedy a misleading statement.

b. An advertisement shall not use the name or title of a life insurance company or a life insurance policy unless the advertisement has been approved by the insurer.

c. An advertisement shall not state or imply that interest charged on an accelerated death benefit or a policy loan is unfair, inequitable, or in any manner an incorrect or improper practice.

d. The words “free”, “no cost”, “without cost”, “no additional cost”, “at no extra cost”, or words of similar import shall not be used with respect to any benefit or service unless true. An advertisement may specify the charge for a benefit or a service or may state that a charge is included in the payment or use other appropriate language.

e. Testimonials, appraisals, analyses, or endorsements used in advertisements must be genuine; represent the current opinion of the author; be applicable to the viatical settlement contract product or service advertised, if any; and be accurately reproduced with sufficient completeness to avoid misleading or deceiving prospective viators as to the nature or scope of the testimonials, appraisal, analysis, or endorsement. In using a testimonial, appraisal, analysis, or endorsement, a licensee under this chapter makes as its own all the statements contained therein, and the statements are subject to all of the provisions of this section.

(1) If the individual making a testimonial, appraisal, analysis, or an endorsement has a financial interest in the party making use of the testimonial, appraisal, analysis, or endorsement, either directly or through a related entity as a stockholder, director, officer, employee, or otherwise, or receives any benefit directly or indirectly other than required union scale wages, that fact shall be prominently disclosed in the advertisement.

(2) An advertisement shall not state or imply that a viatical settlement contract benefit or product or service has been approved or endorsed by a group of individuals, society, association, or other organization unless that is the fact and unless any relationship between an organization and the viatical settlement licensee is disclosed. If the entity making the endorsement or testimonial is owned, controlled, or managed by the viatical settlement licensee, or receives any payment or other consideration from the viatical settlement licensee for making an endorsement or testimonial, that fact shall be disclosed in the advertisement.

(3) When an endorsement refers to benefits received under a viatical settlement contract, all pertinent information shall be retained by the viatical settlement licensee for a period of five years after its use.

5. An advertisement shall not contain statistical information unless it accurately reflects recent and relevant facts. The source of all statistics used in an advertisement shall be identified.

6. An advertisement shall not disparage an insurer, viatical settlement provider, viatical settlement broker, insurance producer, policy, services, or methods of marketing.

7. The name of the viatical settlement licensee shall be clearly identified in all advertisements about the viatical settlement licensee or its viatical settlement contract, products, or services, and if any specific viatical settlement contract is advertised, the viatical settlement contract shall be identified either by form number or some other appropriate description. If an application is part of the advertisement, the name of the viatical settlement provider shall be shown on the application.

8. An advertisement shall not use a trade name, group designation, name of the parent company of a viatical settlement licensee, name of a particular division of the viatical settlement licensee, service mark, slogan, symbol or other device, or reference without disclosing the name of the viatical settlement licensee, if the advertisement would have the capacity or tendency to mislead or deceive as to the true identity of the viatical settlement licensee, or to create the impression that a company other than the viatical settlement licensee would have any responsibility for the financial obligation under a viatical settlement contract.

9. An advertisement shall not use any combination of words, symbols, or physical materials that by their content, phraseology, shape, color, or other characteristics are so similar to a combination of words, symbols, or physical materials used by a government program or agency or otherwise appear to be of such a nature that they tend to mislead prospective viators into believing that the solicitation is in some manner connected with a government program or agency.

10. An advertisement may state that a viatical settlement licensee is licensed in the state where the advertisement appears, provided it does not exaggerate that fact or suggest or imply that a competing viatical settlement licensee may not be so licensed. The advertisement may ask the audience to consult the viatical settlement licensee's internet site or contact the commissioner to find out if the state requires licensing and, if so, whether the viatical settlement provider or viatical settlement broker is licensed.

11. An advertisement shall not create the impression that the viatical settlement provider, its financial condition or status, the payment of its claims or the merits, desirability, or advisability of its viatical settlement contracts are recommended or endorsed by any government entity.

12. The name of the actual viatical settlement licensee shall be stated in each of its advertisements. An advertisement shall not use a trade name, any group designation, name of any affiliate, or controlling entity of the viatical settlement licensee, service mark, slogan, symbol, or other device in a manner that would have the capacity or tendency to mislead or deceive as to the true identity of the actual viatical settlement licensee or create the false impression that an affiliate or controlling entity would have any responsibility for the financial obligation of the viatical settlement licensee.

13. An advertisement shall not directly or indirectly create the impression that any division or agency of the state or of the United States government endorses, approves, or favors any of the following:

- a. A viatical settlement licensee or its business practices or methods of operation.
- b. The merits, desirability, or advisability of any viatical settlement contract.
- c. Any viatical settlement contract.
- d. Any life insurance policy or life insurance company.

14. If the advertiser emphasizes the speed with which the viatication will occur, the advertising must disclose the average time frame from completed application to the date of offer and from acceptance of the offer to receipt of the funds by the viator.

15. If the advertising emphasizes the dollar amounts available to viators, the advertising shall disclose the average purchase price as a percent of face value obtained by viators contracting with the licensee during the past six months.

2008 Acts, ch 1155, §14

Referred to in §508E.5

508E.15 Fraud prevention and control.

1. *Fraudulent viatical settlement acts — interference, and participation of convicted felons prohibited.*

- a. A person shall not commit a fraudulent viatical settlement act.
- b. A person shall not knowingly or intentionally interfere with the enforcement of the provisions of this chapter or investigations of suspected or actual violations of this chapter.
- c. A person in the business of viatical settlements shall not knowingly or intentionally permit any person convicted of a felony involving dishonesty or breach of trust to participate in the business of viatical settlements.

2. *Fraud warning required.*

a. A viatical settlement contract and application for a viatical settlement, regardless of the form of transmission, shall contain the following statement or a substantially similar statement:

Any person who knowingly presents false information in an application for insurance or viatical settlement contract is guilty of a crime and may be subject to fines and confinement in prison.

b. The lack of a statement as required in paragraph “a” does not constitute a defense in any prosecution for a fraudulent viatical settlement act.

3. *Mandatory reporting of fraudulent viatical settlement acts.*

a. Any person engaged in the business of viatical settlements having knowledge or a reasonable suspicion that a fraudulent viatical settlement act is being, will be, or has been committed shall provide to the commissioner such information as required by and in a manner prescribed by rules adopted by the commissioner.

b. Any other person having knowledge or a reasonable belief that a fraudulent viatical settlement act is being, will be, or has been committed may provide to the commissioner the information required by and in a manner prescribed by rules adopted by the commissioner.

4. *Immunity from liability.*

a. No civil liability shall be imposed on and no cause of action shall arise from a person who, acting reasonably and in good faith, furnishes information concerning suspected, anticipated, or completed fraudulent viatical settlement acts or suspected or completed fraudulent insurance acts, if the information is provided to or received from any of the following:

(1) The commissioner or the commissioner’s employees, agents, or representatives.

(2) A federal, state, or local law enforcement or regulatory official or the official’s employees, agents, or representatives.

(3) A person involved in the prevention and detection of fraudulent viatical settlement acts or that person’s agents, employees, or representatives.

(4) The national association of insurance commissioners; the national association of securities dealers; the North American securities administrators association; their employees, agents, or representatives; or other regulatory body overseeing life insurance, viatical settlements, securities, or investment fraud.

(5) A life insurer that issued the life insurance policy covering the life of the insured.

b. Paragraph “a” does not apply to a statement made in bad faith or with actual malice. In an action brought against a person for filing a report or furnishing other information concerning a fraudulent viatical settlement act, the party bringing the action shall plead specifically any allegation that paragraph “a” does not apply because the person filing the report or furnishing the information did so in bad faith or with actual malice.

c. A person furnishing information as identified in paragraph “a” shall be entitled to an award of attorney fees and costs if the person is the prevailing party in a civil cause of action for libel, slander, or any other relevant tort arising out of an activity in carrying out the provisions of this chapter and the party bringing the action was not substantially justified in doing so. For purposes of this paragraph, a proceeding is substantially justified if it had a reasonable basis in law or fact at the time that it was initiated. However, such an award does not apply to any person furnishing information concerning the person’s own fraudulent viatical settlement act.

d. This section does not abrogate or modify a common law or statutory privilege or immunity enjoyed by a person described in paragraph “a”.

5. *Confidentiality.*

a. A document or evidence provided pursuant to subsection 4 or obtained by the commissioner in an investigation of a suspected or actual fraudulent viatical settlement act shall be privileged and confidential, notwithstanding chapter 22, shall not be a public record, and shall not be subject to discovery or subpoena in a civil or criminal action.

b. Paragraph “a” does not prohibit the release by the commissioner of a document or evidence obtained in an investigation of a suspected or actual fraudulent viatical settlement act if any of the following applies:

(1) In an administrative or judicial proceeding to enforce laws administered by the commissioner.

(2) To a federal, state, or local law enforcement or regulatory agency, to an organization established for the purpose of detecting and preventing fraudulent viatical settlement acts, or to the national association of insurance commissioners.

(3) At the discretion of the commissioner, to a person in the business of viatical settlements that is aggrieved by a fraudulent viatical settlement act.

c. Release of a document or evidence under paragraph “b” does not abrogate or modify the privilege granted in paragraph “a”.

6. *Other law enforcement or regulatory authority.* This chapter shall not do any of the following:

a. Preempt the authority or relieve the duty of other law enforcement or regulatory agencies to investigate, examine, and prosecute suspected violations of law.

b. Prevent or prohibit a person from disclosing voluntarily information concerning viatical settlement fraud to a law enforcement or regulatory agency other than the commissioner.

c. Limit the powers granted elsewhere by the laws of this state to the commissioner or an insurance fraud unit to investigate and examine possible violations of law and to take appropriate action against wrongdoers.

7. *Viatical settlement antifraud initiatives.*

a. A viatical settlement provider or viatical settlement broker shall have in place antifraud initiatives reasonably calculated to detect, prosecute, and prevent fraudulent viatical settlement acts. At the discretion of the commissioner, the commissioner may order, or a licensee may request and the commissioner may grant, such modifications of the following required initiatives as necessary to ensure an effective antifraud program. The modifications may be more or less restrictive than the required initiatives so long as the modifications may reasonably be expected to accomplish the purpose of this section.

b. Antifraud initiatives shall include all of the following:

(1) A fraud investigator, who may be a viatical settlement provider, viatical settlement broker, a viatical settlement provider’s or viatical settlement broker’s employee, or an independent contractor.
