a. The commissioner may adopt reasonable rules for use by companies to record and report to the commissioner their rates and other information determined by the commissioner to be necessary or appropriate for the administration of this chapter and the effectuation of its purposes.

b. 3. *Consultation with other states.* In order to further uniform administration of rate regulatory laws, the commissioner and every insurer and advisory organization may exchange information and experience data with insurance supervisory officials, insurers, and advisory organizations in other states and may consult with them with respect to the application of rating systems.

4. *Rules.* The commissioner may make reasonable rules necessary, including definitions of the rate standards contained in section 515F.4, to effect the purposes of this chapter.
