

522D.6 License.

1. A person who meets the requirements of sections 522D.4 and 522D.5, unless otherwise denied licensure pursuant to section 522D.7, shall be issued a navigator license. A navigator license is valid for three years.

2. A navigator license remains in effect unless revoked or suspended as long as all required fees are paid and continuing education requirements are met by any applicable due date. A navigator is required to complete continuing education requirements required by law in order to be eligible for license renewal.

3. A licensed navigator who is unable to comply with license renewal procedures due to military service or other extenuating circumstances may request a waiver of those procedures. The licensed navigator may also request a waiver of any examination requirement or any other penalty or sanction imposed for failure to comply with renewal procedures.

4. The license shall contain the licensee's name, address, personal identification number, the date of issuance, the expiration date, and any other information the commissioner deems necessary.

5. A licensee shall inform the commissioner by any means acceptable to the commissioner of a change of legal name or address within thirty days of the change. Failure to timely inform the commissioner of a change of legal name or address may result in a penalty as specified in section 522D.7.

6. The commissioner shall require by rule that a licensed navigator furnish a surety bond or other evidence of financial responsibility that protects all persons against wrongful acts, misrepresentations, errors, omissions, or negligence of the navigator.

7. In order to assist with the commissioner's duties, the commissioner may contract with a nongovernmental entity, including the national association of insurance commissioners or any affiliate or subsidiary the national association of insurance commissioners oversees, to perform any ministerial functions, including the collection of fees, related to navigator licensing that the commissioner deems appropriate.
