

523I.807 Care fund deposits.

1. To continue to operate as a perpetual care cemetery, a cemetery shall set aside and deposit in the care fund an amount equal to or greater than fifty dollars or twenty percent of the gross selling price received by the cemetery for each sale of interment rights, whichever is more.

2. A cemetery may require a contribution to the care fund for perpetual care of a memorial or memorialization placed in the cemetery. A cemetery may establish a separate care fund for this purpose. The contributions shall be nonrefundable and shall not be withdrawn from the trust fund once deposited. The amount charged shall be uniformly charged on every installation of a memorial, based on the height and width of the memorial or the size of the ground surface area used for the memorial. A fee for special care of a memorial may be collected if the terms of the special care items and arrangements are clearly specified in the interment rights agreement. Except as otherwise provided in an interment rights agreement, a cemetery is not liable for repair or maintenance of memorials or vandalism. A cemetery may use income from a care fund to repair or replace memorials or interment spaces damaged by vandalism or acts of God.

3. Moneys shall be deposited in the care fund no later than the fifteenth day after the close of the month when the cemetery receives the final payment from a purchaser of interment rights.
