

**524.1206 Identification of legally chartered name of bank — required use of name.**

A state or national bank, at its locations in this state, shall identify its principal place of business, any bank office, or any bank branch in a manner which includes its legally chartered name or a reasonable variation of such name. The legally chartered name of the state or national bank shall be used in all legal documents of such bank.

98 Acts, ch 1036, §3

Referred to in §524.310
