

537.3611 Prohibited charges.

A lessor shall not make a charge for any of the following:

1. Any insurance whether in connection with the transaction or otherwise, except that a charge may be made for property insurance on the leased property if the charge is clearly disclosed as optional and all other requirements of section 537.2501, subsection 2, paragraph "a", are met.

2. A penalty for early termination of a consumer rental purchase agreement or for the return of an item at any point, except for those charges authorized by sections 537.3612 and 537.3613.

3. Payment by a cosigner of the consumer rental purchase agreement of any fees or charges which could not be imposed upon the lessee as part of the consumer rental purchase agreement.
