

543B.21 Nonresident license.

A nonresident of this state may be licensed as a real estate broker or a real estate salesperson, upon complying with all requirements of law and with all the provisions and conditions of this chapter relative to resident brokers or salespersons and the filing by the applicant with the real estate commission of a certification from the state of original licensure signed by the duly qualified and authorized official or officials of that state that the applicant is there currently licensed, that no charges against the applicant are there pending, and that applicant's record in that state justifies the issuance of a license to the applicant in Iowa. The commission may waive the requirement of an examination in the case of a nonresident broker who is licensed under the laws of a state having similar requirements and where similar recognition and courtesies are extended to licensed real estate brokers and salespersons of this state.
