

633A.4401 General powers — fiduciary duties.

1. A trustee, without authorization by the court, may exercise the following powers:
 - a. The powers conferred by the terms of the trust.
 - b. Except as limited by the terms of the trust, powers conferred by this trust code.
2. This part does not affect the power of the court to relieve a trustee from restrictions in the terms of the trust on the exercise of powers, to confer on a trustee additional powers whether or not authorized by the terms of the trust, or to restrict the exercise of a power otherwise given to the trustee by the terms of the trust or this trust code.
3. The grant of a power to a trustee, whether by the terms of the trust, this trust code, or the court, does not in itself govern the exercise of the power. In exercising a power, the trustee shall act in accordance with fiduciary principles.
