

6B.61 Approval of local elected officials required.

Notwithstanding any provision of law to the contrary, any entity created by or on behalf of one or more political subdivisions and granted, by statute, eminent domain authority to acquire property shall not exercise such authority outside the jurisdictional limits of the political subdivisions participating in the entity at the time of such exercise of authority without first presenting the proposal to acquire such property by eminent domain to the board of supervisors of each county where the property is located and such proposal receives the approval, by resolution, of each applicable board of supervisors. However, this section does not apply to an entity created by or on behalf of one or more political subdivisions if the entity is authorized by statute to act as a political subdivision and if this section would limit the ability of the entity to comply with requirements or limitations imposed by the Internal Revenue Code to preserve the tax exemption of interest payable on bonds or obligations of the entity acting as a political subdivision.

This section does not apply to a person issued a certificate of public convenience, use, and necessity under chapter 476A. This section does not apply to property condemned by or on behalf of a multistate entity created to provide drinking water that has received or is receiving federal funds, but only if such property is to be acquired for water transmission and service lines, pump stations, water storage tanks, meter houses and vaults, related appurtenances, or supporting utilities.
