

**88B.4 Permit — term, renewal, and records required.**

1. A permit expires on the first anniversary of its effective date, unless it is renewed for a one-year term as provided in this section.

2. At least one month before the permit expires, the division shall send to the permittee, at the last known address of the permittee, a renewal notice that states all of the following:

a. The date on which the current permit expires.

b. The date by which the renewal application must be received by the division for the renewal to be issued and mailed before the permit expires.

c. The amount of the renewal fee.

3. Before the permit expires, the permittee may renew it for an additional one-year term, if the business entity meets the following conditions:

a. Is otherwise entitled to a permit.

b. Submits a renewal application to the division in the form required by the division.

c. Pays the renewal fee prescribed by the division.

4. The permittee shall keep a record of each asbestos project it performs and shall make the record available to the division at any reasonable time. Records shall contain information and be kept for a time prescribed in rules adopted by the division.
