

8E.202 Reports and records — access and purpose.

1. The department and each agency shall provide for the widest possible dissemination of information between agencies and the public relating to the enterprise strategic plan and agency strategic plans, including but not limited to internet access. This section does not require the department or an agency to release information which is classified as a confidential record under law.

a. In administering this subsection, the department shall provide for the dissemination of all of the following:

(1) The enterprise strategic plan, performance measures, performance targets based on performance data, performance data, and data sources used to evaluate agency performance, and explanations of the plan's provisions.

(2) Methods for the public and state employees to provide input including written and oral comments for the enterprise strategic plan, including a schedule of any public hearings relating to the plan or revisions.

b. In administering this subsection, each agency shall provide for the dissemination of all of the following:

(1) The agency strategic plan, performance measures, performance targets based on performance data, performance data, and data sources used by the agency to evaluate its performance, and explanations of the plan's provisions.

(2) Methods for the public and agency employees to provide input including written and oral comments for the agency strategic plan, including a schedule of any public hearings relating to the plan or revisions.

2. The department may review any records of an agency that relate to an agency strategic plan, an agency performance plan, or a performance audit conducted pursuant to section 8E.209.

3. A record which is confidential under law shall not be released to the public under this section.
