

9B.26 Validity of notarial acts.

1. Except as otherwise provided in section 9B.4, subsection 2, the failure of a notarial officer to perform a duty or meet a requirement specified in this chapter does not invalidate a notarial act performed by the notarial officer. The validity of a notarial act under this chapter does not prevent an aggrieved person from seeking to invalidate the record or transaction that is the subject of the notarial act or from seeking other remedies based on law of this state other than this chapter or law of the United States. This section does not validate a purported notarial act performed by an individual who does not have the authority to perform notarial acts.

2. The validity of a notarial act shall not be affected or impaired by the fact that the notarial officer performing the notarial act is an officer, director, or shareholder of a corporation that may have a beneficial interest or other interest in the subject matter of the notarial act.
