

135C.33 Employees and certified nurse aide trainees — child or dependent adult abuse information and criminal record checks — evaluations — application to other providers — penalty.

1. *a.* For the purposes of this section, the term “*crime*” does not include offenses under chapter 321 classified as a simple misdemeanor or equivalent simple misdemeanor offenses from another jurisdiction.

b. Prior to employment of a person in a facility, the facility shall request that the department of public safety perform a criminal history check and the department of human services perform child and dependent adult abuse record checks of the person in this state. A facility shall inform all persons prior to employment regarding the performance of the record checks and shall obtain, from the persons, a signed acknowledgment of the receipt of the information. A facility shall include the following inquiry in an application for employment:

Do you have a record of founded child or dependent adult abuse or have you ever been convicted of a crime other than a simple misdemeanor offense relating to motor vehicles and laws of the road under chapter 321 or equivalent provisions, in this state or any other state?

2. *a.* If it is determined that a person being considered for employment in a facility has been convicted of a crime under a law of any state, the department of public safety shall notify the licensee that upon the request of the licensee the department of human services will perform an evaluation to determine whether the crime warrants prohibition of the person’s employment in the facility.

b. (1) If a person being considered for employment, other than employment involving the operation of a motor vehicle, has been convicted of a crime listed in subparagraph (2) but does not have a record of founded child or dependent abuse and the licensee has requested an evaluation in accordance with paragraph “*a*” to determine whether the crime warrants prohibition of the person’s employment, the licensee may employ the person for not more than sixty calendar days pending completion of the evaluation.

(2) Subparagraph (1) applies to a crime that is a simple misdemeanor offense under section 123.47 or chapter 321, and to a crime that is a first offense of operating a motor vehicle while intoxicated under section 321J.2, subsection 1.

c. If a department of human services child or dependent adult abuse record check shows that such person has a record of founded child or dependent adult abuse, the department of human services shall notify the licensee that upon the request of the licensee the department of human services will perform an evaluation to determine whether the founded child or dependent adult abuse warrants prohibition of employment in the facility.

d. An evaluation performed under this subsection shall be performed in accordance with procedures adopted for this purpose by the department of human services.

e. (1) If a person owns or operates more than one facility, and an employee of one of such facilities is transferred to another such facility without a lapse in employment, the facility is not required to request additional criminal and child and dependent adult abuse record checks of that employee.

(2) If the ownership of a facility is transferred, at the time of transfer the record checks required by this section shall be performed for each employee for whom there is no documentation that such record checks have been performed. The facility may continue to employ such employee pending the performance of the record checks and any related evaluation.

3. In an evaluation, the department of human services shall consider the nature and seriousness of the crime or founded child or dependent adult abuse in relation to the position sought or held, the time elapsed since the commission of the crime or founded child or dependent adult abuse, the circumstances under which the crime or founded child or dependent adult abuse was committed, the degree of rehabilitation, the likelihood that the person will commit the crime or founded child or dependent adult abuse again, and the number of crimes or founded child or dependent adult abuses committed by the person involved. If the department of human services performs an evaluation for the purposes of

this section, the department of human services has final authority in determining whether prohibition of the person's employment is warranted.

4. *a.* Except as provided in paragraph "b" and subsection 2, a person who has committed a crime or has a record of founded child or dependent adult abuse shall not be employed in a facility licensed under this chapter unless an evaluation has been performed by the department of human services.

b. A person with a criminal or abuse record who is or was employed by a facility licensed under this chapter and is hired by another licensee shall be subject to the criminal history and abuse record checks required pursuant to subsection 1. However, if an evaluation was previously performed by the department of human services concerning the person's criminal or abuse record and it was determined that the record did not warrant prohibition of the person's employment and the latest record checks do not indicate a crime was committed or founded abuse record was entered subsequent to that evaluation, the person may commence employment with the other licensee in accordance with the department of human services' evaluation and an exemption from the requirements in paragraph "a" for reevaluation of the latest record checks is authorized. Otherwise, the requirements of paragraph "a" remain applicable to the person's employment. Authorization of an exemption under this paragraph "b" from requirements for reevaluation of the latest record checks by the department of human services is subject to all of the following provisions:

(1) The position with the subsequent employer is substantially the same or has the same job responsibilities as the position for which the previous evaluation was performed.

(2) Any restrictions placed on the person's employment in the previous evaluation by the department of human services shall remain applicable in the person's subsequent employment.

(3) The person subject to the record checks has maintained a copy of the previous evaluation and provides the evaluation to the subsequent employer or the previous employer provides the previous evaluation from the person's personnel file pursuant to the person's authorization. If a physical copy of the previous evaluation is not provided to the subsequent employer, the record checks shall be reevaluated.

(4) Although an exemption under this paragraph "b" may be authorized, the subsequent employer may instead request a reevaluation of the record checks and may employ the person while the reevaluation is being performed.

5. *a.* This section shall also apply to prospective employees of all of the following, if the provider is regulated by the state or receives any state or federal funding:

(1) An employee of a homemaker-home health aide, home care aide, adult day services, or other provider of in-home services if the employee provides direct services to consumers.

(2) An employee of a hospice, if the employee provides direct services to consumers.

(3) An employee who provides direct services to consumers under a federal home and community-based services waiver.

(4) An employee of an elder group home certified under chapter 231B, if the employee provides direct services to consumers.

(5) An employee of an assisted living program certified under chapter 231C, if the employee provides direct services to consumers.

b. In substantial conformance with the provisions of this section, prior to the employment of such an employee, the provider shall request the performance of the criminal and child and dependent adult abuse record checks. The provider shall inform the prospective employee and obtain the prospective employee's signed acknowledgment. The department of human services shall perform the evaluation of any criminal record or founded child or dependent adult abuse record and shall make the determination of whether a prospective employee of a provider shall not be employed by the provider.

6. *a.* The department of inspections and appeals, in conjunction with other departments and agencies of state government involved with criminal history and abuse registry information, shall establish a single contact repository for facilities and other providers to have electronic access to data to perform background checks for purposes of employment, as required of the facilities and other providers under this section.

b. The department may access the single contact repository for any of the following purposes:

- (1) To verify data transferred from the department's nurse aide registry to the repository.
- (2) To conduct record checks of applicants for employment with the department.

7. a. If a person employed by a facility, service, or program employer that is subject to this section is convicted of a crime or has a record of founded child or dependent adult abuse entered in the abuse registry after the person's employment application date, the person shall inform the employer of such information within forty-eight hours of the criminal conviction or entry of the record of founded child or dependent adult abuse. The employer shall act to verify the information within forty-eight hours of notification. If the information is verified, the requirements of subsections 2, 3, and 4 regarding employability and evaluations shall be applied by the employer to determine whether or not the person's employment is continued. The employer may continue to employ the person pending the performance of an evaluation by the department of human services to determine whether prohibition of the person's employment is warranted. A person who is required by this subsection to inform the person's employer of a conviction or entry of an abuse record and fails to do so within the required period commits a serious misdemeanor.

b. If a facility, service, or program employer receives credible information, as determined by the employer, that a person employed by the employer has been convicted of a crime or a record of founded child or dependent adult abuse has been entered in the abuse registry after employment from a person other than the employee and the employee has not informed the employer of such information within the period required under paragraph "a", the employer shall act to verify the credible information within forty-eight hours of receipt of the credible information. If the information is verified, the requirements of subsections 2, 3, and 4 regarding employability and evaluations shall be applied to determine whether or not the person's employment is continued.

c. The employer may notify the county attorney for the county where the employer is located of any violation or failure by an employee to notify the employer of a criminal conviction or entry of an abuse record within the period required under paragraph "a".

8. a. For the purposes of this subsection, unless the context otherwise requires:

(1) "*Certified nurse aide training program*" means a program approved in accordance with the rules for such programs adopted by the department of human services for the training of persons seeking to be a certified nurse aide for employment in any of the facilities or programs this section applies to or in a hospital, as defined in section 135B.1.

(2) "*Student*" means a person applying for, enrolled in, or returning to a certified nurse aide training program.

b. Prior to a student beginning or returning to a certified nurse aide training program, the program shall request that the department of public safety perform a criminal history check and the department of human services perform child and dependent adult abuse record checks, in this state, of the student. The program may access the single contact repository established pursuant to this section as necessary for the program to initiate the record checks.

c. If a student has a criminal record or a record of founded child or dependent adult abuse, the student shall not be involved in a clinical education component of the certified nurse aide training program involving children or dependent adults unless an evaluation has been performed by the department of human services. Upon request of the certified nurse aide training program, the department of human services shall perform an evaluation to determine whether the record warrants prohibition of the student's involvement in a clinical education component of the certified nurse aide training program involving children or dependent adults. The evaluation shall be performed in accordance with the criteria specified in subsection 3, and the department of human services shall report the results of the evaluation to the certified nurse aide training program. The department of human services has final authority in determining whether prohibition of the student's involvement in the clinical education component is warranted.

d. (1) If a student's clinical education component of the training program involves children or dependent adults but does not involve operation of a motor vehicle, and the student has been convicted of a crime listed in subparagraph (2), but does not have a

record of founded child or dependent adult abuse, and the training program has requested an evaluation in accordance with paragraph “c” to determine whether the crime warrants prohibition of the student’s involvement in such clinical education component, the training program may allow the student’s participation in the component for not more than sixty days pending completion of the evaluation.

(2) Subparagraph (1) applies to a crime that is a simple misdemeanor offense under section 123.47 or chapter 321, and to a crime that is a first offense of operating a motor vehicle while intoxicated under section 321J.2, subsection 1.

e. (1) If a student is convicted of a crime or has a record of founded child or dependent adult abuse entered in the abuse registry after the record checks and any evaluation have been performed, the student shall inform the certified nurse aide training program of such information within forty-eight hours of the criminal conviction or entry of the record of founded child or dependent adult abuse. The program shall act to verify the information within forty-eight hours of notification. If the information is verified, the requirements of paragraph “c” shall be applied by the program to determine whether or not the student’s involvement in a clinical education component may continue. The program may allow the student involvement to continue pending the performance of an evaluation by the department of human services. A student who is required by this subparagraph to inform the program of a conviction or entry of an abuse record and fails to do so within the required period commits a serious misdemeanor.

(2) If a program receives credible information, as determined by the program, that a student has been convicted of a crime or a record of founded child or dependent adult abuse has been entered in the abuse registry after the record checks and any evaluation have been performed, from a person other than the student and the student has not informed the program of such information within the period required under subparagraph (1), the program shall act to verify the credible information within forty-eight hours of receipt of the credible information. If the information is verified, the requirements of paragraph “c” shall be applied to determine whether or not the student’s involvement in a clinical education component may continue.

(3) The program may notify the county attorney for the county where the program is located of any violation or failure by a student to notify the program of a criminal conviction or entry of an abuse record within the period required under subparagraph (1).

f. If a certified nurse aide training program is conducted by a health care facility and a student of that program subsequently accepts and begins employment with the facility within thirty days of completing the program, the criminal history and abuse registry checks of the student performed pursuant to this subsection shall be deemed to fulfill the requirements for such checks prior to employment pursuant to subsection 1.
