

13C.2 Registration permit required — disclosure.

1. *a.* A professional commercial fund-raiser shall not solicit contributions for charitable purposes in this state unless the professional commercial fund-raiser has registered with the attorney general, has provided the attorney general with a listing of the professional commercial fund-raiser's clients, and has obtained a registration permit from the attorney general. The attorney general may require that registration information be updated on a quarterly basis.

b. The attorney general shall prescribe and furnish the registration permit application form which shall include provisions for financial disclosure information concerning contributions received and disbursements made during the previous year by the professional commercial fund-raiser applying for registration. Financial disclosure information shall not include an applicant's donor lists.

c. In lieu of filing the financial disclosure information at the time of registration, the professional commercial fund-raiser may file a statement with its permit application where it agrees to provide, without cost, the financial disclosure information required to be disclosed pursuant to this subsection to a person or government entity requesting the information within one day of the request. The statement shall include the telephone number, mailing address, and names of persons to be contacted to obtain the financial disclosure information of the fund-raiser. Failure to provide this information upon request shall be a violation of this chapter.

2. A charitable organization shall provide, upon request and without cost to the requesting party, financial disclosure information concerning contributions received and disbursements for the organization's last complete fiscal year, or, if the organization has not completed a full fiscal year, for its current fiscal year, to the attorney general or a person requesting the information within five days of the request.

3. *a.* If a professional commercial fund-raiser or charitable organization fails to provide financial information as required or requested, the fund-raiser or organization shall file the financial disclosure information with the attorney general within seven days of its failure to have provided the disclosure information and, thereafter, file, if required by the attorney general, annual financial disclosure information with the attorney general.

b. The attorney general may seek an injunction pursuant to section 714.16 prohibiting the professional commercial fund-raiser or charitable organization from soliciting contributions until the required financial information has been disclosed to the attorney general, person, or government entity making the request.

4. The client lists of a professional commercial fund-raiser, if required to be filed as part of the application for registration, shall be confidential and may be used only for law enforcement purposes.

5. The attorney general shall collect a fee of ten dollars for each registration permit issued. A permit shall expire twelve months following the date of issuance.

6. The attorney general may make reasonable rules to enforce the provisions of this chapter.
