

142C.6 Delivery of document of gift not required — right to examine.

1. A document of gift does not require delivery during the donor's lifetime to be effective.
2. Upon or after an individual's death, a person in possession of the document of gift or a refusal to make an anatomical gift with respect to the individual shall allow examination and copying of the document of gift or the refusal by a person authorized to make or object to the making of an anatomical gift with respect to the individual or by a person to whom the gift could pass under section 142C.5.
