

153.19 Temporary permit — fees.

1. The board may, in its discretion, issue a temporary permit authorizing the permit holder to practice dentistry or dental hygiene in a specific location or locations and for a specified period of time if, in the opinion of the board, a need exists and the person possesses the qualifications prescribed by the board for the permit, which shall be substantially equivalent to those required for licensure under this chapter. The board shall determine in each instance those eligible for this permit, whether or not examinations shall be given, and the type of examinations. None of the requirements for regular licensure under this chapter are mandatory for a temporary permit except as specifically designated by the board. The issuance of a temporary permit shall not in any way indicate that the permit holder is necessarily eligible for regular licensure, nor is the board in any way obligated to so license the person.

2. A temporary permit shall be issued for a period determined by the board and may be renewed at the discretion of the board. The fee for a temporary permit and the fee for renewal shall be set by the board. The fees shall be based on the administrative costs of issuing and renewing the permits.
