

155A.41 Continuous quality improvement program.

1. Each licensed pharmacy shall implement or participate in a continuous quality improvement program to review pharmacy procedures in order to identify methods for addressing pharmacy medication errors and for improving patient use of medications and patient care services. Under the program, each pharmacy shall assess its practices and identify areas for quality improvement.

2. The board shall adopt rules for the administration of a continuous quality improvement program. The rules shall address all of the following:

- a. Program requirements and procedures.
- b. Program record and reporting requirements.
- c. Any other provisions necessary for the administration of a program.
